**Dear kindered spirit friends of Jakob Lorber and related servants as Emanuel Swedenborg and Gottfried Mayerhofer and further writers of our Lord Jesus. We wish you a blissfull enjoyment in reading. G**

Our friend, Wilfried Schlätz, is still in the hospital, as it now stands and according to the latest news, he is not doing well. We miss him very much but if the Lord has other plans for him..... He's always in "good hands!" Wilfried, we think of you and sympathize with you! You are NEVER alone. We all wish you a speedy recovery if God wants it. Let us all pray for him! G.

# Call to all Readers

## Suggestion:

Klaus Opitz has repeatedly received inquiries about whether there are **house circles or Lorber groups** in this or that region. A whole lot of friends [kindred spirits] would like to work in a regionally active group. However, there is no corresponding overview yet, from which one can see where such groups already are. **Therefore, a call** to all readers to tell the editorial team of the JLI where such groups already exist, so that the answers can then be summarized and published in JLI. We will be very grateful to you.

## INTROSPECTION – SELF EXAMINATION

## Hans from the Netherlands

Dear Gerard,

Look at these two YouTube videos on the golden ratio. I find this much more interesting than the calculating with numbers.

The one about the wisdom of the golden ratio, I made myself. The other is a fantastic animation that generates boundless amazement about the great creation of God.

My story is in Dutch. It is about time that I make an English and German version! Therefore, this question. Suppose I completely write down my Dutch text, can you take care of a good translation in German and English? I speak it in on the video and I put both versions on the internet, on my YouTube channel.

Sincerely,  
Hans

## Answer

Dear Hans,

Obviously, you have nothing with the "heavenly language of numbers" as you have written. Swedenborg and Jakob Lorber wrote a few times about the Heavenly dimensions. As the name of Noah means golden ratio [next to "gifted"! - in Hebrew CheN], so is his name connected to the golden ratio ,thus also with the ark which he had to built. The ark was designed so that its sizes (numbers) corresponded exactly with his Hebrew name!

My article on the golden ratio gives actually a complete and profound testimony about reality, which is aligned on all universes and certainly gives an enlightening testimony about the Bible. What I am talking about is not just an alignment on earth, much more in the spiritual world. The Matter is indeed solidified spirit! You have to do some deeper digging and this falls together in the world of consensus. But everyone has his own thing. And .. yes .. a picture tells definitely much more than 1000 words and, of course, it has its similarity ....

I find your article a good addition to the "golden ratio". It fits nicely. As regards the German and English translation, perhaps it can be done. Tell me how much text it is, we will see if this is possible in terms of time. Maybe I can mediate private.

## Ron Yates from Australia

Hi,

Having been a longstanding reader of Lorber, Mayerhofer and Swedenborg and other scribes of the Father, I do appreciate the Bulletin.

On reading the GG of J volume 4, Chapter 40, Somnambulism and its application which ends at the end of chapter 79, the realisation came over me that the Lord Jesus wants us to do this ,for he said through Lorber, 'anyone one can do it as long as they do it in my name and are spiritually.sufficiently advanced '

I wondered if any reader of Lorber has also made this realisation and done anything with it.

I have set about putting somnambulism healing into practice and have had three sessions with one person and what she received was remarkable.

I want everyone who has the faith and has sufficient spiritual development to try it and I can see this as a way, that the poor of the world can be given a health self-diagnosis and with help can be cured of and physical, emotional and/or spiritual illnesses.

There can be no charges for helping these people.

So, please Lorber followers, read the story of Zorel as it is written in The Great Gospel of John and let me know what you think.

Dear Ron,

We'll keep it in mind. A good idea indeed. I hope to work on it myself and soon I hope to find the right 'candidate' and I will report about it in due time. G

# On the most important life teachings of **Jesus**

By Klaus Opitz

( Short version)

In the many sayings of Jesus on the **10 commandments, the two love commandments** and many other indications of a genuine life in the spirit of Jesus, it is always necessary to understand what is important for everyday life, where we should pay attention to, to lead a life according to **His Spirit**. Here is a set of statements to consider.

**"We have no commandment except that of eternal life which is love and it is as follows: 'You shall love Me, your God and holy Father, out of and with all the love which I gave you from eternity for everlasting life and as eternal life. When you love Me, you unite once more with Me and your life will never end; if you fail to do this, you separate yourself from life.**

Your life will not end because of it, nor shall I ever cease to be your judging God and though, separated from My life, you will fall into the eternal space of the depths of My wrath, your fall will truly not take place outside of Me. **You will never lose Me, your God but you will lose your most loving, best and holy Father and with Him an eternal, free and most blissful life.'**

"O fathers and your children of the midday! This is the sole commandment we have; it has been written deeply into the heart already of every child. This **commandment** is the living seed which all of you must plant in your hearts if you want to live as children of a holy Father, Who is God, holy, holy, holy from eternity to eternity. ." (Household of God.01\_070,21f)

(The Lord:) **MY** disciple John told you already, and I confirm this to you, that in the **two commandments: 'Love God above all and your fellowman like yourself' the 10 commandments of Moses are contained and all the rest about what man should do to awaken the spiritual spark that abides in him and to unite more and more with his soul. For it is only in the right way of living according to God and in the right deeds of love for your fellowman that you will find true satisfaction, inner peace and the right victory over your passions and death.** The one in whom the conviction is awakened, which makes it impossible for him to sin against those commandments, will already discover true Heaven on this Earth, for he became untouchable for all the attacks of evil, became by that a real ruler in him and out of him a ruler over nature (GGJ.11\_011,01f).

...**But the twelve gates no longer indicate that the new city is built out of the twelve tribes of Israel, but out of the twelve main principles of My teachings, which are contained in the ten commandments of Moses and My two new commandments of love: since they are the gates through which the future people will come into the new city of God full of light and life.**

**Only those who will keep these My commandments, will come into the city and light and life will be given to him; but those who will not keep the commandments, will not have access to this new city.** Similarly, the twelve types

of precious stones signify the same twelve commandments, from which the wall around the great city was build. (GGJ-54,8,9)

These **twelve commandments** are thus not only the entrance gates to the light and life for the people, but they are also **their indestructible protection and shield, which the gates and powers of hell or the material worldliness will never be able to defeat and destroy.** (GGJ-54,10)

Whoever thus made the will of God his own through **keeping the commandments**, has also adopted the **divine power and the divine freedom** and has reached the state of the true **rebirth of the spirit** and is as a true child of God as **perfect** as the Father in Heaven Himself.

And I say now to you all, that you should strive already here on earth to become as perfect as the Father in Heaven is perfect by **keeping the commandments** precisely, then you will be able to do greater things than I have done now. And if you have reached this state, then you will already in advance be **a citizen of the new Jerusalem.** This is thus the meaning of the third phenomenon. (GGJ.07\_054,12 and 13)

**As long as a well-meant word of truth out of the mouth of your fellowman can still hurt and offend you, you are still far away from God's Kingdom.** (GGJ.08\_064,17)

**Do not ever repay evil with evil, but rather do good to your enemies.** (GGJ.07\_140,04)

**If you feel rage in your heart about the sinner who deserves a just punishment, then put the punishing rod out of your hand;** because by your rage it will not become a salutary guide post but a snake, that does not breathe a salutary balm but a deadly poison into the wound which she caused the traveller through its bite, bringing death to the wounded.

**Also do not believe that you can get rid of an enemy by killing him!** Because if here on earth he was only a simple enemy to you, after death of his body as a free spirit, he will become a hundredfold enemy to you and will torment you with hundreds of different evils for the rest of your life and you will not find any means to free yourself from this invisible enemy.

Therefore, if you punish someone, punish **him with love and never with rage!** (GGJ.02\_164,02 ff.)

**Therefore judge and condemn no one,** that you may not be judged and condemned. (GGJ.01\_074,16)

**However, he who wants to be My true disciple and follower should even forgive his true and actual enemies, pray for those who have cursed him and bless those who hate and damn him and also do good to those who harm him..**

(GGJ.08\_064,17)

**"Bless the enemies and keep the friends in your heart,** then you will become like me, which I on the cross blessed those who have crucified me!" [Gifts from Heaven, part 3-45.04.28,03]

**Therefore, if you punish someone,** punish him with love and never with rage!  
(GGJ.02\_164,02 ff.)

**With love, you achieve everything whereas through force the evil is woken from his sleep.** What good can then come over Earth from the awakening of the devils?

**It is therefore endlessly better that love and gentleness should grow and remain wakeful among mankind at all times and with that compel the devils to sleep, so that you would not harm the Earth, rather than to awaken the devils through the roaring din of power, that they then ruin the Earth with everything on it. Tell Me how you can, or want to object to that.'** (GGJ.01\_076,04,05)

"... I now say this to all out of the fullest truth which alone can truly liberate every human being. **For me, there is only one sin which is the mother of all other sins and that Sin is called: pride!**

From the **pride** follows everything else, what is always called sin, such as: **selfishness, lust for power, self-love, envy, usury, fraud, thievery, robbery, wrath, murder, inertia to work, the sweet idleness at the expense of the not haughty worker, craving for luxury and ostentation, lust of the body, adultery, harlotry, godforsaken and finally also often a Godlessness and with this a complete disobedience against all laws whether they are divine or merely political origin.**

Consider each of these accumulated deadly sins now wholly analytical, and you will know its **pride** in the base of each.

**Whoever wants to get rid of all his alleged thousand sins all of a sudden, sees to it, that he loses his grounded **pride**, then he will lose also all his other sins.**

Many sins are inconceivable without pride because pride is the all-sole cause of these sins.

**Sins that are committed without pride are not sins because they do not contain the ground for sin ...**

**For where there is no pride, there is love which contains in itself all humility; Love and humility, however, erase all mistakes and sins, even though there were many of them because love and humility kill all sins!**

- But if only such an atom of pride that is hiding behind the other sins, committed people in the time of trial of their liberation, this atom will all sin revived, even the smallest. **And such spirits will once, as here, have to fight very hard to lose even one atom of pride ...** "( Gifts of Heaven, 03\_49.04.06,29 ff, abbreviated)

**"Justice should rule everywhere, in matters of faith as in social life. I as Christ taught the people to understand their given teachings better. I taught the love and the wisdom, which "love" in a right size "points". I taught them tolerance (virtue) or justice against all and so are these three seals the keys how My teachings should be spread if it wants to achieve the refinement of the human race "(Mayerhofer, Revelation of John," The Third horse "\*))**

\*) For complete text see [www.JESUS2030.de](http://www.JESUS2030.de) left margin column under "About the Future (1)", **"Über die Zukunft (1)"**, Theme **"Erklärung der Offenbarung des Johannes"** Explanation of the Revelation of John"

„... You should therefore not say: **Behold, these people are right and those are wrong. And these or that Commander or his operations are blessed. -So you should also have either a joy or grief so that you experience that this or that party has either triumphed or was beaten.**

**Ever you should not worry about that, what is happening now, whether right or wrong; because I make everything that is happening so as it is happening, and I mean, I'm Lord enough, wise enough and I'm good enough!"** (Gifts of Heaven. 03\_49. 04.06, 16)

„... I say unto you: **Abide. Do not joy in nothing, stay fine at home** (in faith) when I will come in the near future so that I can meet you at home. I shall comfort you, strengthen you and **take you on in my new Kingdom on Earth and all stars.**

**But if I'll meet you not at home, you may write to even it to yourself, so you will have either none or only a very small part of this, my biggest and last arrival."**

**"I tell you: I am the Lord of the whole infinity and otherwise there is no one!"** (Gifts of Heaven. 03\_49. 04 06, 22f)

**'... I do not call and say: " Turn all off of your temporal existence necessary for dealing with the world!";** because I also have not done that Myself, when I was in the world. I myself have worked in the world and I have done with my own hands, the world a lot of good services . And therefore, I will never say to you, "have absolutely nothing to do with the world!" But this I tell you: **slide the stone, Yes, the heavy stone away from your Lazarus grave** and soon you will perceive God's glory inside you! But the grave must be open and then shall those who are in the tombs **hear my voice and will be woken up!**

**But as long as you don't slide the stone of the tomb, so long you're too much prisoners of death** and I can scream like a night watchman and your Lazarus may not hear me; because through the stone, the voice of love does not get through because the stone in itself is the true symbol of Lovelessness. A stone can only be shattered and destroyed by the voice of my wrath; but my love has not a stone before the mouth instead of a trombone.

**Such a stone is your world learned reasoning based on the mind;** It is solid and heavy and it takes much effort to lift it away from the grave. But all of whatever she must still be taken away otherwise, **my rousing voice** penetrates not to the dead Lazarus in you...

**Now It's up to all of you to act accordingly to it;** If you act after that then you will also certainly come to the firm conviction, that this revelation is not from the mouth of a man but **from my own mouth**. However, if you just read it like a world's book, then it will remain for you just also a work of a human, a world's book! ' (Text explanations-016, 09-15)

**As long as My teachings are not obeyed completely and in everything, it will not get better here,** whether for individuals in the beyond or in general. But whoever obeys My teachings in their entirety, will be well here as well as in the beyond. **A humble soul soon finds her way in all situations. And since such a soul is the closest to Me, she is at all times assured of the safest and best help.** (*Earth and Moon-63:28*)

**Therefore, everything depends on the free and cheerfully generous love for a neighbor;** the highest possible self-denial is the revelation of the prophecy itself. **There you have now the correct answer to the most important question of life.** Think about it and act accordingly and you will be justified before one another before your brothers and before God! For what the Lord does now himself, people will also have to do this in order to become similar to him and so His children.( GGJ 03\_241,10)

*To consideration: In addition to the above-mentioned demand for neighbor-love, Jesus also says:*

"It is quite clear in itself that a malicious man is not to be given any more opportunity by a non-friendship (an excessively great kindness ) so that he thereby grows in his anger and gets more bad intentions than he had before.( GGJ10\_215,04ff)

## Helmut Nadlinger from Austria

Good evening Gerhard,

To the previous JLB, I would like to say that you give the suicide of Schumi a lot of space which he probably does not deserve. Even if a lady obviously appreciates him very much and advertises for him besides mentioning his book and publisher. But there will be JLB readers that are weak and by so much "praise" on the part of this woman, they may fall victim to this plagiarizer ....

Now I would also like to share my thoughts and reasoned opinion on the topic "rapture". You can also publish it in the Bulletin if you wish. I will write one and other about it and hold it general:

The prophecies of a Norwegian pastor were recently made public in the JLB to us and the effects that the "Rapture in the Clouds of Heaven" will cause. Will they do that?

Will the impacts be such that planes fall from the sky because the pilot has been "snatched", cars will collide because they are without drivers, people disappear without a trace and families are torn apart - and all this, for the people unexplainable events according to the will of God? Is this not thought too simplistic and thought small, too literally explain this Bible-text intellectually?

If we take the Rapture so literally, we can also start with the eye ripping and the cutting off hands for it is also, after all, in the book of the books.

Is not our God and Creator exalted above all human thought and will this rapture not proceed in an infinitely wiser way than we small people can ever imagine? Should we not imagine this longed-for rapture much more spiritually than physically!

God is spirit and as such, he will free those people who carry the love of Jesus within them, and through this time from the worldly thought and the weaknesses of their souls and move them into the state of a reborn!

Unrecognized for outsiders, hidden in the "clouds" of his inner love. For mankind, certainly needs the daily chaos and worldly hardship, and this through the mercy of the Lord, reborn to serve his neighbor and the still weak but willing fellow-citizens.

The Satan in economics and politics, the incorrigible and opportunistic will be swept away and those who are taken into the Spirit will, according to God's will and action, be the future leaders on earth.

This is my humble opinion that I have found without sight. Well, Gerard, a daring assertion on my part? Maybe, but I can imagine it. And so I say: all love.

## Answer Gerard

Hello Helmut,

What you describe there, there is actually no objection on it, only on a few points. But ... just in case that 'the rapture' would still take place soon, our Lord is certainly able to dematerialize airplanes, cars and machinery and many material things. so that nothing happens to the 'survivors'. There are also enough examples in the GGJ by Jacob Lorber.

If a prophet receives images of the future through the Lord, is the great experience [according to the Bible] that the intervening period is mostly 40-70 years before the prophecy comes true.

According to Wilfried Schlätz, this only takes place until after the millennial kingdom of peace. That this will happen is quite sure !! I consider it superfluous [in the case of Olav Rodge, December 1952] that we must wait more than 1000 years before the prophecy of O.R. comes true. [1952 + 70 = **2022**] This topic will be mentioned more than once. G.

# Theme Endtime

What we always forget at The Entime are the words of Jesus:

**The year, the day and the hour I cannot tell you with certainty because everything on this Earth depends on the complete free will of men...**(GGJ.09\_070,02) so here we can look long, for a precice time.

# Currently: the year of Luther

By Wilhelm Erdmann

---

The Gospel of John is, according to the explanation-Revelation of Jacob Lorber, the love gospel in which John, the disciple of Jesus has written the teachings of God-as-Jesus-Christ. Chapter 11 is important for the Lorber movement.

At a Swedenborg meeting the German Lutherans realize that in Austria, which is governed by the Jesuits, there are hardly any Lutherans in public, for all Lutherans who have been able to work, have emigrated to Prussia after they were bought out [...]

A member of the Swedenborg movement, points out to the Lutherans, that the members of the Swedenborg movement are also Lutherans and are strongly represented in Austria outside the public and are selling Luther Bibles, which are also read diligently there.

Probably, in Austria the Luther Bible is more read than in the rest of the German-speaking Region. Jakob Lorber, a member of the Swedenborg movement in Graz, even read the Bible every day, although he could be imprisoned for it whereby he loses his property.

As a precaution, his brothers had taken over his considerable fortune in business, so that his daughter inherited only a Luther Bible and a violin. The violin had to be certified again by an expert to the Stradivari.

The Bible, she had to sell it to a foreign German-speaking country because it was not allowed to be read in Austria. Insight in her father's fortune went slowly, with the help of the Swedenborg movement was decided that the possession of the buisness losses of the uncle went via Jakob Lorber's daughter.

Jakob Lorber received, when he almost knew by heart a large part of the Lutheran Bible, via the Lord's inner word an dictated explanationRevelation. In this way the Lutherans, like the dead Lazarus in Austria, rose from the tomb of the Jesuits.

Even today, the explanation Revelation by Jakob Lorber, who has emerged from the Swedenborg movement and the notifications of the Lorber movement, were persecuted by all the devils of this world, and ignored by all church and secretly pursued with exasperation .

Martin Luther has thrown his inkwell after the devil. Nowadays the devil has made sure that the ink stain on the guardian-Castle was removed before fort he Luther year. He regrets, however, that he can not remove the declarations of the Lorber movement.
