## The CROWN on the world's works

### The Corona fire

The corona fire [virus] circulates like a running "fire" all over the Earth and spreads very quickly. All people are physically fixated on this virus, small, but dangerously groundbreaking by humanity, where it can find victims who are sensitive to it. The virus likes to settle in the lungs. There are two variants, the mild and the aggressive. If you are old and have little resistance, you can die from pneumonia. In the world of analogies, the organ lungs correspond to the air, in Hebrew: "Ruach" = Spirit.

Jakob Lorber tells through the Lord in the book of Sermons, that people should wake up and become more aware and treat each other more peacefully. This requires insights. By reading or studying the literature of e.g Swedenborg, Jakob Lorber and related writings, this can be clarified a bit faster: *"To bring people to this general understanding and so that they do not lack the opportunity to keep even the smallest spark of their better self alive, all preparations have long been made. For some time now all worldly events, as well as the fate of each person, have been prepared from the ground so that My word will be taken up where it has found little or no hearing and its almighty development like a mustard seed will start."* [Sermons-52: 22]

But instead of sowing spiritually [bringing it to the spiritual bank!], The world prefers to deal with **"valid** seed of non-organically grown seed!" I do not mean the physiological [earthy] garden, but the spiritual [ heavenly] garden of man. There has been wrong sowing in both matter and spirit. That spreads very quickly among people, anywhere in the world.

Recently we read the following article in the Media: Chamutal Shabtai, a psychiatrist and daughter of the famous Israeli writer Ya'akov Shabtai wrote a fictional scenario in 1986-87 about a virus that would kill thousands of people around the world.

In 1994, her screenplay was published as a 600-page book entitled 2020. The year 2020 was recorded in small letters by Shabtai as the moment when the world would suffer from this plague. At the time, it seemed like a distant future. The author tried to assure her readers that the virus will attack, but 2020 is far away.

In the book, she writes that the world is divided into two parts: healthy people and sick or risky people. There will be a list of people who are at risk or already sick, who will be locked up and kept isolated.

In her book, Shabtai describes how the world is governed by a totalitarian system, a global health dictatorship. People are examined daily in schools, kindergartens, supermarkets and companies everywhere. Access to all public places is through biometric doors. When people glow blue on the screen, they are immediately taken to closed isolation centers. The book also predicts that people do not shake hands and that any touch or human contact can lead to death. There will also be a World Health Treaty that obliges everyone to obey their laws.

There is another author, Shlomit Miron, who wrote a book called Moratorium that she wrote about 5 years ago. It describes a virus that bats carry that comes from Asia and will destroy humanity.

Social networks also point to the French-Jewish prophet, astrologer and poet Michel Nostradamus, who predicted in the 16th century that "Several cities in Italy and France would be hit by a deadly epidemic". In a poem he wrote in 1555, Nostradamus warned of an outbreak that would hit several cities in Italy and will spread and destroy many other places. A book predicted the coronavirus 40 years ago: [www.dotcomnieuws.com](http://www.dotcomnieuws.com)  
<https://www.dotcomnieuws.com/corona/40jaar-geleden-een-boek-al-het-corona-virus/>

What was striking in recent months, before there was even talk of this 'virus', that it now kills more than the SARS virus in 2003. In October of 2019, it already started. Strange things started to happen all over the world. The huge forest fires in Australia with the size of a country like the Netherlands. Giant swarms of grasshoppers devastating millions of acres of crops in East Africa and they even reached the Chinese border. Unusual storms confuse the meteorologists. Earthquakes and volcanic activities are increasing here and there ...

In connection with this, I read the following quote in Jacob Lorber and in Isaiah 2:11:  
*"For, all high eyes (pride to rule) will be humiliated and all high lords will have to bow down because in that time only the Lord will be high and continue eternally forever and ever! (Isaiah 2:11). Yes, then also, one will go into the rocky caverns and in the canyons of the Earth (hidden places of the mammon), and this out of fear for the Lord and for His lovely majesty (the light of the eternal truth), when He will prepare Himself*

*to frighten the Earth (punishments). Yes, in that time everyone will throw away his silver and golden idol statues in the holes of the moles and the bats."*

*Because of a bat, the whole world has to pay its own gold by a world epidemic caused by a bat, and for a large part the economy, comes to a standstill which costs a lot of money. The 'dragon' does its work [the bat is related to the dragon]... and it mirrors much of humanity.*

*Jesus says: " Well, here you have now easier to understand whole explanation of **the second chapter of the prophet Isaiah!** The last verses you easily can explain yourselves, once you have well understood the meaning of the first ones. But I tell you that it really will happen within a short time and then again entirely **after about 1.900 years**, because when the man will have been given complete freedom of will. [Note: World War I began about 1900 years ago!] For if man is to be left free to freedom of will, then in My decree there is no other way to successfully counteract from time to time the human laziness than only this one because that laziness is the root of all sins and vices!."*

*Jesus says further; " Now this will produce less joy in you, and even less for the future nations when this message will be given to them again in their great misery and during the time when one nation will rise against the other to destroy it... But tell Me now how you have understood this very important matter. I say 'very important' because as My future followers I want to especially emphasize that you and your disciples should guard yourselves against laziness. Now speak about the spirit that you have met in Isaiah.*

*The disciples and also the others who were present said unanimously: "The disciples said to Jesus, "We, as Your chosen disciples, will certainly do our utmost to make the people according to Your counsel act properly and to inspire and encourage them. Whether they will pay attention to this in their descendants in time is of course a very important other question! But then You yourself will let everything happen the way it is most suitable for the good of the people, be it wars, epidemics, expensive times, famine or peace, health and blessed fruitful years and times! "[GGJ7-174]*

Finally:

CORONAVIRUS is a direct ancestor of the SARS virus. Antibodies to SARS in the blood were also found in people living near caves. The type of coronavirus was found to be related to the genus of bats. And where the diversity of bats was greatest, the diversity of coronaviruses was also the greatest.

It is known that bats can also carry other dangerous viruses, such as Ebola, Marburg and Nipah. When bats become stressed, they can suddenly excrete a lot of virus particles. Such a moment of stress can arise when bats wake up from hibernation and their bodies have to come back into action after months.

Bats that are prey to a fungal disease (known as a white-nose syndrome) will excrete more virus particles [hence apparently a nose course as one of these characteristics! Two years ago, American researchers found that bats with a fungal infection had 60 times more coronavirus particles in their intestinal tract than uninfected conspecifics. Keeping bats captive also increases stress, with additional virus risk.

From various parts of the world we received from bulletin readers - mainly from the group of the Jakob-Lorber Readers - interesting information about the Coronavirus, related to the "New Words" and the Bible, which they have written about it.

Tommy Rasmussen [T.R.] from Germany referred to a Lorber text:... The Lord:... *"I will let one accident after another happen; because of this they get all kinds of worries and fear, they start to think, search and ask why that they are now being attacked from all sides, while they have never wronged anyone and have always lived as decent, proper people! "*

T.R. then points us to the "night preaching" of Jesus. The complete text can be read in GGJ1-219: 3 to chapter 221: 25. "The people must be driven into occupation by distress and imprinting of all kinds, otherwise they would become slow oxen! ..." So far his [shortened] message.

Editor: What is striking in this text: "ACCIDENT". In this context, could Coronavirus as an escaped virus from a laboratory have already made its rounds? Is it not a coincidence that this

laboratory in China is investigating the deadliest viruses on Earth and is only a few kilometers from the city of Wuhan ?!

These obstacles, according to Lorber, are necessary for both the good and the bad; "Because it makes the good more lively and the bad are finally awakened by the good". [Household. of God, part 2-121: 14-23]

In this bulletin, we will not discuss the different features of the coronavirus and the flu in more detail. There is more than enough to consult the internet or to follow the media.

Ron Yates from Australia sent us the following message: Some important features suffice with, as is well known:

- Dry rough cough [dry feeling in the throat]
- The virus travels through the airways and settles in the lungs
- The lungs can inflame with reduced resistance
- This results in very difficult breathing
- Very severe fatigue and barbed wire sensation on the chest
- Terrible migraine attacks, nausea, vomiting, insomnia
- People who survive the virus describe this as "hell"

The coronavirus

The lab is located about 20 miles from the Hunan Seafood Market, reports from China say it may have been the origin of the virus. Chinese authorities still say they do not know the origin of the coronavirus. The editorial advises drinking a lot of hot ginger tea in alternation with sage and Rosehip tea in combination with hot broth soup; a lot in the daylight and therefore regularly walking [moving] in the [fresh] air. Keep an appropriate distance from each other in the audience with a distance of 150 cm. In my opinion, this distance is too short. This does not apply to family members, because they have the same "bacteria".

Heat may kill the coronavirus. Naturally, with due observance of strict hygiene, such as the regular cleaning of toilet buttons and toilet seats, door handles, car steering wheel, also the handles of the car doors, the keyboard; wear plastic gloves when refueling! Go as little as possible to public places, including shops, because this is where the risk of contamination is greatest.

A beautiful and clear text, which could apply here: *"Go, My people, enter your rooms, close your doors behind you. Hide for a moment until the wrath is over! "[Isaiah 26:20]* However, this quote may also apply to upcoming judgments.

In January I myself received a pervasive dream. In the dream, I dreamed [double clue!] That I said to someone [in] the following: "I saw a divine person, wearing a golden crown and gold bracelets, and He said to me:" You! An important event will take place soon!

"At first I did not understand that dream, but apparently it was a reference to this pandemic.

Leviticus 13:46 clearly describes that an "infected" sick person must live in isolation [quarantine]. We should always wash [to cleanse] our hands and it would be better to clean our "actions" with humility. "Cleanse the hands, you sinners, and purify the hearts, you double-hearted!" [James 4: 8]

Grasshoppers have recently preceded us in East Africa [Kenya] - a real plague, similar to that of Egypt in the time of the Pharaohs. Shortly afterward a serious pandemic, which is in control of the entire Earth globe.

*"If I shut up heaven that there be no rain, or if I command the grasshopper to consume the land, or if I send a plague among My people; And my people, whom my name is called, humble and pray, and seek my face, and turn from their evil ways; so will I hear from heaven, and forgive their sins, and heal their land. "[2 Chron. 7: 13-14]*

So is the Coronavirus a "plague," like the plagues in Egypt, to make people repent? Or have people caused this themselves and is it not stopped by the Deity?

A plague can be compared to a targeted one. After all, it is necessary to "**focus**" on the circumstances and on the legislator. Therefore, according to Jakob Lorber, every law is also a "targeted" one. Laws restrict us in freedom.

If people "tease" each other in any form, it is the same [with another word for it] as "bully". Teasing or plague means "**to separate**" in Hebrew! [such as "cutting off"]. If we look at this matter from our spiritual eye, we see a negative fluid with the smallest particles of the soul bundled together, whose mental state settles in some cell. Consider, for example, the appearance of a hundred fruit flies, which just appear out of nowhere, is a form of dematerialization. Thus, negative viruses can suddenly manifest, multiply, and spread in large numbers. Will this pandemic bring mankind to spiritual repentance?

We received a message from several Lorber readers about the "predicted" Coronavirus. "Predicted" is specifically enclosed in quotation marks here because nothing can be "predicted", but we can derive certain patterns from it, such as by analogy.

My friend Helmut from Austria - coincidentally together with yet another Lorber reader - sent us this text content with a curious message, which we would like to publish to the readers because of the interesting content. His wife handed him a newspaper

and he actually flipped through it, but then he caught sight of the headline: "an eerie prediction about the COVID-19 Virus in the year 1981.

Here a passage from this book: *"Around 2020 a dangerous pneumatic with a related disease [lung disease] will spread all over the Earth. It will attack the lungs and bronchi and resist all known regular treatment methods. It will, as it came, also disappear so suddenly. But ten years later it will go around once more and then it will disappear forever."* [A message about this Coronavirus was predicted from Dean Koontz's published book "The Eyes of Darkness. "]

*"A mother trying to find out what happened to her son after he mysteriously disappeared at a camping site." Then came the news that the boy - more precisely - in Wuhan - is being held, where a deadly virus breaks out ...*A further passage from the book describes a virus called "Wuhan-400" that was developed in the RDNA laboratory outside the city of Wuhan, and it was the 400th living stem cell from artificial microorganisms that was "created" ...

*Here's another curious passage from this book: "They call that stuff" WUHAN-400, "because it's being developed from man-made microorganisms in the world's largest laboratory in the city of Wuhan. The "Wuhan-400" is a perfect weapon and only infects people. No other organism can carry that within itself.*

Het coronavirus in beeld: bron: <https://www.shutterstock.com/nl/search/coronavirus>

Editorial: On the Internet, we find interesting information about this in the comments. That "stuff" would first have been called GORKI-400, but around 1990 - after the end of the cold war, it was renamed "Wuhan-400." So here by chance, but not as "coincidence" without any evidential value. However, the word GOR can also be written as KOR or COR, because in the old languages these letters come under one sound.

Friend Helmut writes: *"The author has written this book as a crime novel and thriller, but by no means as a revelation. Friends of the Lorber scriptures, which the Lord has*

*given us for this end time, also know that nothing can ever appear on our Earth without any spiritual background. "*

*"In this case, could the spirit world not have influenced the choice of words in this book, but with the author completely unconsciously? We may and must not expect the enemy from the air from the breadth of world space; mankind itself creates this negative influence through its wicked material way of life. Will the world understand and adhere to this admonition or say, "further than hitherto? Most likely! "So far this message.*

The word Corona contains three and two syllables: CO RO NA and COR ONA. [One] [Hearts one or hearts Ace - the symbolic map of "new" love and a new beginning!] - The Latin name for "heart" is COR.

**Curiously, the Netherlands has only one province, where most Coronaviruses have emerged. It will soon be teeming with 5G antennas in the province of Brabant: 'Every 150 meters, one will be needed in 2020'....**

The people in South-East Netherlands have caught the coronavirus through an annual festive tradition: KAR-NA-VAL. [The C or the K and the sound A or O of your choice is identical here. [Carnival literally means: "the FALL of the body or flesh!"]....

Do we keep cordially in touch with one another? [Heart is for!] - Lungs = contact, communication!

Lorber says through the Lord: "If we keep in peaceful contact with each other, we will not infect each other with anything." Then all viruses or natural disasters stay away!

...

But what is the current state of humanity? Materially fantastic, hugely amazing, but mentally? ...

**According to Jakob Lorber, the earth is in great danger. Her enemy has reached a short-term playing room and is now laughing at the dissension in the hearts of the people! But it cannot be otherwise now; for if the sieve were not turned and shaken terribly, the chaff would never come loose from the wheat. Or if the air is full of bad vapors, so that all life is in danger and the light can no longer penetrate through the dark mass, then a gentle evening wind is no longer suitable for purifying that air, but then hurricanes must come and flaming lightnings, so that the evil spirits bow to it ...**

[Gifts of Heaven, Part 3]

Evil has already been done. For the time being, we all need to keep [forced] "distance" from one another and communicate with each other in this way and stay in our own homes. In other words: "According to Lorber, we are now forced to stay" indoors "in our own chambers of hearts and listen to our inner voice. **Here Isaiah 26:20 comes into its own.** We should seek our inner self and communicate from there. Not only in a material sense, but certainly in a spiritual, religious or religious sense. That is lacking in these times.

Religion means "reconnecting", because re = again and "ligi" is "connecting". Mankind will in the future be able to connect in a different way and in another way than just to talk about small talk! If that does not happen in the future- in this period- that the humanity have to "remodel".

'At first, only a small "shifting" takes place; Also the "good" will be "taken". If we read the Bible and read about the ten plagues of Egypt, it apparently has a great affinity.

We received the following message from a publishing house from Germany, a small part of this is included here: *"Wuhan in China has become very rich thanks to the main car suppliers. The Fifth generation mobile phones (5G) were introduced to meet the industry demands, many people suddenly experienced flu-like symptoms, usually with shortness of breath. This short breath flu has been assigned to the coronavirus and it is now easy to test."*

"In short, the 5G radiation is said to be the real cause of the corona epidemic. This theory, like the coronavirus, spreads rapidly all over the world. Nobody had made that connection recently. However, these messages sound ominous and prove - experienced in practice - the "real cause" of the corona epidemic, which however also underlies a completely different [spiritual] reason. Why is it that countries such as Greenland and Africa do not yet have a corona virus? They don't know G5 networks there! Free from electric smog .. And how can the coronavirus just break out on a cruise ship? No one came on board infected. The cruise ship was loaded with large G5 networks. Electric cables and electricity everywhere, to provide guests with fast internet. In addition to the publishing house, a colleague from the medical profession also told this to us.

That this is really the case, Jakob Lorber confirms this through the Lord from the book "Earth":... *"If corn and grain fields suddenly burn, it is the result of possession by [such] evil spirits, who then materialize. Not infrequently such demons also throw themselves on all kinds of animals; contagious diseases will soon appear among the animals, even the fish in the water will not be spared from that. Similarly, **the real plague, like other epidemic diseases at humans, is usually a result of such evil spirits taking hold of human bodies and destroying them in some way.** It would then easily be possible for natural death to occur if such special means were not quickly used in My name, for which these demons must yield. Now you already know a lot about these spirits, whether they are good or evil and where they are going and how. So that you may also see clearly how such spirits can be banished with their intelligence in the apparently dead matter and how they possess it in a certain demonic way ..."* [Earth and Moon, chap. 31]

*"However, where new associations would be formed for such entertainment purposes, [Red. E.g. carnival!] I just say: they will not exist for too long under any statutes. [Red. E.g. cinemas, sporting events] For I am at the door and overloaded with all kinds of statutes for such associations and will send an angel forward to Me [Michael] who will announce My coming and the Earth will clear me a sharp sickle from the weeds that has always hindered the free growth of My wheat. And this angel will also have a large censer, and make a terrible smoke all over the Earth so that all plague [Red. Here is meant the spiritual plague!] must perish. - Understand what is meant by the "sickle" and the "smoking barrel"! Namely, those who have no wisdom should know that the sickle means the "sword" and the censer the "sharp gun".*

*"Behold, with such statutes, I will soon and immediately overtake the world because of its entertainment associations and many others, because of ailments caused by it.*

*My angel with the sickle and the smoking vessel, however, will spare the houses of those who anointed the doorposts of their house with the word of My love and My compassion. For My word is a great grace to him that receives it, and is a good anointing oil to the posts of the door. The angel will test at the door if she creaks at the posts. Where it creaks, the angel will knock the house to the ground. Where the door opens softly, the house will be cleansed for this reason ": [Note. Compare the angel of death in Egypt at the doorposts - Exodus 12:23]*

*"When I come, I will come as a thief and sneak into the house in silence. Therefore, all doorposts must also be well lubricated. Because where the door creaks, I don't go in there. [The Lord emphasizes here, that the heart is the door!] - If [that heart], which will be inevitably revealed with My coming, full of fear, impatience, fear and infidelity, unfaithfulness and discord and more of such vices, - listen, there the 'Thief' will immediately leave and does not enter through such a neglected door! - And even less will He ever go there again as the great Bringer of Eternal Life! "[Gifts from Heaven, Part 1, Pages 171: 13-15]*

***"Verily, verily, with fire and sword, I will visit the cities, the dwellings of the devils and their servants. I will pour out great duration, hunger and plague, and will send great waters over the usury-rich land. That is a very valid prophecy!***  
[Gifts from Heaven, Part 2, p. 403: 3]

*"Behold, it has always been so and always will be that the material foodstuffs keep pace with the spiritual. - The Israelites were often punished with crop failure, inflation, famine and pestilence when their hearts and spirits turned away from Me and turned to other gods [the cultural material wealth!]. In today's idolatrous countries, there is more or less poverty [including spiritual poverty!] and plague. Why then? Because of the absence of My spirit! [Gifts from Heaven, Part 2, p. 456: 2]*

The **plague** is an infectious disease that was frequent, [epidemic](#) and even [pandemic](#) in Europe from 14th to the 19th century, causing enormous numbers of victims. The disease is caused by the [bacteria Yersinia pestis](#), also known as plague bacilli. The most common types of plague are [bubonic plague](#) and [pneumonic plague](#). It is estimated that by [the Black Death](#) of 1347-1351, a third of all Europeans, at the time several tens of millions, lost their lives.

"Behold, there will now come times when great distress and adversity will reign. War, hunger and plague will come. But those who cling to Me and whom I call Mine have nothing to fear from all of this. For where My blessing reigns, the wrath of hell cannot scatter the seeds of all kinds of plague, and its poisonous breath cannot destroy the trees that I have planted. But the trees of the world and all the institutions that the world has hitherto established for its supposed peace and carelessness will soon be shipwrecked. The commanders of the Earth [the presidents] will realize that I am still the Lord and I will cut all their accounts! [Gifts from Heaven, Part 2, p. 527: 7.8]

'Only if such gross offenses against the order begin to emerge among the evolving people that this would seriously jeopardize the intended absolute freedom of life, should we here and there only cause minor, but only frightening judgments, such as wars, expensive times, hunger and plague. **But each of these judgments should never affect more than a tenth of the people**, [Red. That is, out of the seven billion people here, this means seven million people!] because with a stronger sentence, it would all too easily get the effect of a real death sentence. "[Heaven and Hell, Part 1, chap. 95: 10]

" There will be large separate wars among the nations and one nation will attack the other; there will **also be high inflation and all kinds of pestilence illnesses will arise, as it has not yet occurred among mankind**. Also large earthquakes will take place in advance so that the people can admonish themselves to atonement and loving actions. Good for them who will do accordingly! ' [GGJ6-174:5]

But many will not take any note of it and will ascribe everything to the blind forces of nature, and the foretellers will be scolded swindlers and many will be thrown into the dungeon for the sake of My name, and under great threats of punishment, they will be prohibited to speak in My name and to

announce the coming judgment. Who will not do the will of the great whore of Babel, will be in big trouble. ' [GGJ6-174:6]

But all this must take place **about seven-hundred years before the judgment** so that in the end nobody can say, that he was not warned sufficiently. From now [2026] not fully 2000 years will pass; and this will be apparently a youngest but at the same time also last judgment on this earth. ' [GGJ6-174:7]

Jesus said to His disciples about the deforestation of the Earth, when He walked with them through the primeval forests of Samaria about 2000 years ago: *As long as such forests on Earth exist in sufficient numbers and the nature spirits which continuously come down from all the stars to the Earth and those that are climbing up from the Earth while they are developing themselves, can be taken up in such forests where they can find their well-ordered accommodation, then you will not see all too heavy stormy natural disasters and all kinds of epidemical diseases to arise, but once the covetous pursuit of profit of men will violate too much the forests, it will also be hard for the people to live and to exist on this Earth, and more heavily so where the thinning out of the forests will have the upper hand. This you also can remember to warn the people on time for such thoughtless **undertakings**.* ' [GGJ9-63:6]

The Lord here announces His return in advance with minor and major judgments: *"Behold, I have once been here at the beginning of the world to create all things for your sake and you for Mine. [ the first coming at the Creation] Soon I shall return in great floods of water to wash the pestilence off the earth. [the second coming with the flood at the time of Noah - 1656] For the depths of the earth have become an abomination to Me, full of dirty mud and pestilence, which has grown out of your disobedience. There I shall come for your sake, so that the whole world may not perish and one lineage remains the last descendant of which I Myself shall be.*

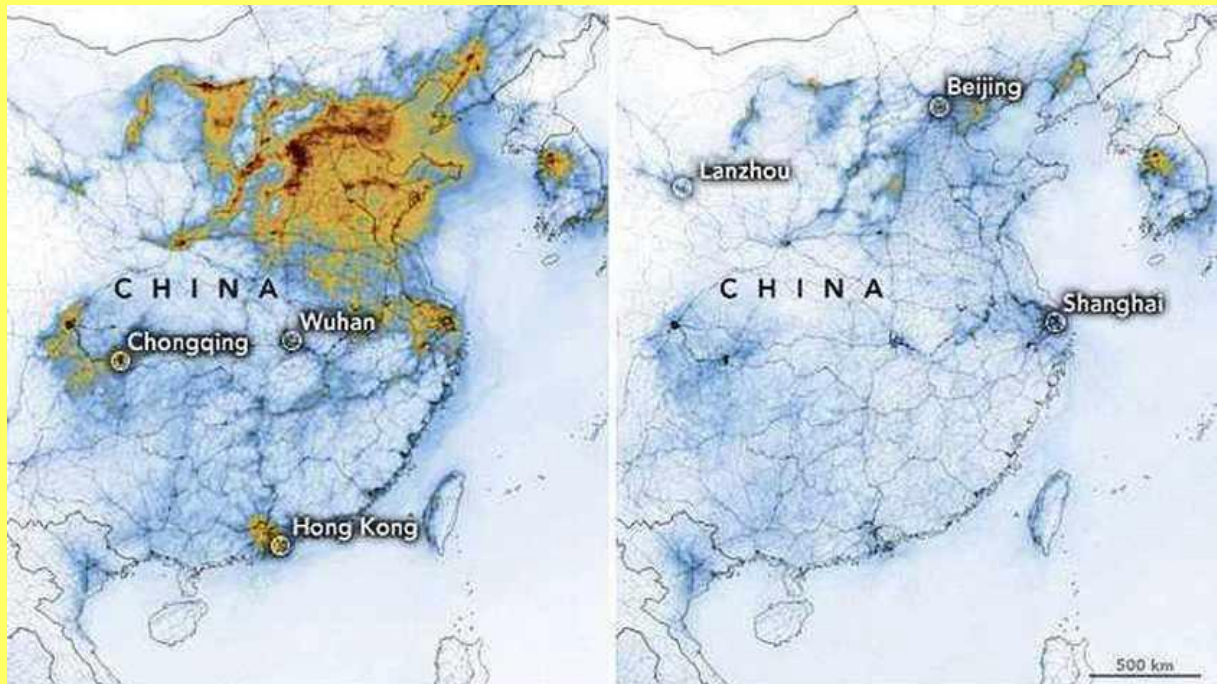

*"And I shall come to you a third time manifold (Abraham, Moses and the prophets. The Ed.), untold times as now - sometimes visible and sometimes invisible in the word of the Spirit - to prepare My way.*

*And I shall come a fourth time bodily, in great distress, in the great Time of times.* [2000 year ago]

*Soon after that, I shall come for the fifth time in the spirit of love and sanctification. [The NR in this time!] And I shall come for the sixth time to the inner self of anyone who will truly long for Me in his heart and shall be a guide to him who full of love and faith will let himself be drawn by Me to eternal life. [This will be the coming time] At that time I shall be more remote from the world; but whoever will be accepted shall live and My Kingdom will be with him forever.*

*"Finally, I shall come again, as already mentioned. But this last coming will be to all a permanent return - one way or another. [That is after the Millennial Kingdom of Peace] [Household of God, Part 1, chap. 46: 20-22]*

The emissions would have decreased enormously because some of the factories in China are shut down. Since the Covid-19 outbreak, more than 80,000 people have been infected in China alone. By restricting public life, traffic and therefore factories, emissions are visibly decreasing, according to NASA. bron: <https://www.telegraaf.nl/nieuws/1452668093/satellietbeelden-tonen-de-gevolgen-van-coronavirus-in-china>

The lab is located about 20 miles from the Hunan Seafood Market, reports from China say it may have been the origin of the virus. Chinese authorities still say they do not know the origin of the coronavirus.

The Coronavirus appears to be large in size. (400-500 nanometer diameter)

*"And I, the Lord, who spoke this to you through the mouth of John, will subject the Earth in all places and points with all kinds of judgments and calamities, such as through great wars, through great duration and famine, through all kinds of pestilences under people and animals, through major earthquakes and other terrestrial storms, through major floods and also through fire. But I will keep the*

*Mines in love, and they will lack nothing. But whoever will try to persecute Me now and wherever in this second coming [after the wanderings of Jesus on Earth 2000 years ago], I will destroy it from the Earth. "[Gifts from Heaven, part 3, p. 304]*

*The sword has already had much to do and has been very household; but if the people will remain in the imperious flood any longer, then I will send yet another angel, the hunger angel and the bully at the same time. These teachers will certainly instill in people quite different legal concepts from those they are now full of. "[Gifts of Heaven, Vol. 3, p. 343: 12]*

## **"The soon approaching target before 2030!"**

*What both these angels of God and what I foretold as the Lord and God about the future coming of Christ has now **matured and will soon take place**; because preparations have already started. People's hearts now look like these times with their hair-raising phenomena. They are full of lust for power, avarice, envy, gluttony, swearing and fornication, full of quarrel, strife, slander, full of robbery, war, murder and plague of all kinds. The dissatisfaction and the lovelessness and utter mercilessness have taken hold of them, and as a result, there has **now also come such a misery on Earth as this Earth has never experienced**, felt and tasted. It is therefore necessary to put an end to this miserable time soon, or else those who were hitherto elected would be shipwrecked.*

***But before I can come back from the moment as the Lord and Creator, the ground must be thoroughly cleaned of all weeds and this purification has just happened on all points of the Earth.** Whoever is deliberately sick of soul and does not try to make his soul healthy, will not have much time before he will perish! The time of the purification will last at least four weeks; for there will be hours when more will happen than in a century. –*

*A longer-term is set at four months; for there will be days of which one will mean more than it used to a century. –*

*Yet another term is set at four quarters; for there will be more in a week than in prehistoric times in a century. –*

*A further term is set at four years and a little more time; fuor months will come when more will happen than in the prehistoric times in seven centuries!
