

# Jakob Lorber International Bulletin

Magazine in German, Dutch & English language for the searching human on his way to his own inner heaven, for those who want to come in contact with His creator and have a joyful mutual exchange about that.

August 2016 nr. 10

[www.zelfbeschouwing.info](http://www.zelfbeschouwing.info)

E-mail: [zelfbeschouwing@gmail.com](mailto:zelfbeschouwing@gmail.com)

Dear friends of Jakob Lorber and related servants as Emanuel Swedenborg and Gottfried Mayerhofer and further writers of our Lord Jesus.

Good brothers and sisters.

You will find the following information in this bulletin:

- The near future and the Justice
- Was Frans Schumi really a Prophet? [Wilfried Schlätz]
- The Rapture—the last Trumpet call?
- The individuality of our nature-soul; [Wilfried Schlätz]
- Does mankind descend from Adam ?
- About true and false Prophets! [Klaus Opitz]
- A seductive great power [HB]

-Once more, we wish you a blissful enjoyment in reading-

**INTROSPECTION – SELF EXAMINATION**

=====

## **Contacts and reactions**

We received friendly and useful responses to Jakob-Lorber-Bulletin Nr. 9.

Reactions will be published to the incoming order, again:

Gerard

The send copy [preferably between the 15th and 20th of a month] is processed in the next issue. Incoming copy outside the specified dates is then postponed and is naturally included in the subsequent publication

## **Hans from The Netherlands**

Dear Gerard,

The text below is a section from the HB today. This fits very well to what I also tried to write a few months ago. This column says exactly what the intention is so that we people follow this out of free will.

Best regards,  
Hans

## **Answer**

Dear Hans,

The send article fits perfectly in the context of the published topics here. With great thanks. G.

# The 'near future' is almost Now

## The Justice of the World

"They will be like the garbage of the Earth. There will come a famine according to the word of God. Do not let precious time pass away. The powers of the 'large animals', according to the revelations of John, will be with their complete fullness and with all that is holy make war. There are many false prophets but the biggest is still to come. With signs and wonders, he will bring the whole world astray.

' The largest and most powerful country in the world will be destroyed and dominated by others. The money will be worthless. The large army [Army-China] will mark the people like cattle and they take possession of them as her belonging. One will find no dignity or respect. The people are forced to do what they don't want to do. The Lord has represented a seven thousand years plan for humanity and this plan is equal to the seven days of the week. Because every day is identical to a thousand years '

The above text is once foretold by a number of 'visionaries' a long time ago. Also the following texts. About the Islam, the Lord would have said the following. I could not figure out this source but I Still have some fragments available:

' I have a desire for the Islam, said the Lord and even they will turn to me. They are from the seed of Abraham and I've not forgotten them and even they will gather to me. Every knee will bow and every mouth will attest that I am the Lord. Because my spirit will touch their hearts and they will weep, wail and mourn. How very much they have persecuted me! Said the Lord and didn't my servant Paulus persecuted me also? And as I have forgiven Paulus so I shall forgive the Islam, if I shall touch them and shall heal all injuries of their hearts with all the pain they have suffered.

Know, o Islam, that the book of the Prophet Obadiah only affects you and is intended for you; and that's it for this time and not just for any or other past or distant future, it is for now and the near future, says the Lord. The day of the Lord is soon at hand and the Justice and the wrath will be held upon all Nations because what you have done, so shall it also be done to you, your actions fall back on your own heads. I will not accept all from Me but your faith will be changed and your hearts will turn to me, as you will become aware of my presence and you will find peace, love and joy. All those, who reject my spirit, will be without this all and fall and no one will be able to save them anymore, says the Lord.

O Islam! Your children have tolerated the abuse, come to me, so that I can cure that. In the time, which is to come, I'll be your Lord and Savior and you will be a holy people under me and you will praise Me and you will have joy forever. Amen. [Source: The prophecy of America's fall].

The Bible is complete but is hardly read by the people. It says very clearly that the Lord has always used prophets— through history - to share his message.

[Household of God.01\_025,01] And behold, Abel disappeared and Ethiope ate of the fruits, entirely happy for the first time in his life. And he did exactly as commanded.

[HHG.01\_025,02] Thus the last branch of his line has right to the present time populated all the islands and following the great destruction of the serpent's brood by the floods from the heavens, also the large continents which you call 'Africa', 'America' and 'Australia' today. His line was not extinguished in the floods and is still the same in this last era as a testimony to the atrocities committed in the past and present time by My children and those of Enoch.

[HHG.01\_025,03] And so this Ethiope is still living today, naturally and spiritually as a constant observer of your actions, hidden on an island in the middle of the great waters which no mortal will ever discover.

## **The Star in the East. The Justice of the World**

[Gifts of Heaven 02\_42. 07.30, 01] Write only, write; because I already know what you want! -Read in the book "Daniel", Chapter 3, 14th to 20th verse! -There you will find what concerns the Kingdom of Earth, that nowadays is quite deaf to the voice of the poor and to the body and the spirit of the starving to death brothers!

[Gifts of Heaven 02\_42. 07.30, 02] I'm telling you now, however, without "Daniel": the country will perish into the sea and the proud Queen of the waves will be scattered like chaff, even if they never will open up for the tears of the lamenting! – Look at America! There it has already started with the "counting day! – Here it is already started!

[Gifts of heaven\_42.07.30,03]The emergency will first learn the people, that the Earth is a common property of all people, not only for those despicable Satan users, which by chitchat and only by the poorest smeared paper cuttings have taken over.

It's already a shame that people have beat locks at the gates ( doors) of their houses so they do not get robbed by them, whereby the Hell is paved with! Cursed is he, who's going to set boundaries in hellish selfishness, to his supposed ground.! Truly, Truly! I, the Lord of life and death, I tell you: who is always so selfish and frugal to his brothers, I want to let one gnaw on the barriers and boundary stones, as long as the Sun of each world universe will light up ! This will be portrayed to someone with a petrified heart! When he is weak by his tears, then he should find a weak compassion with me!

[Gifts of Heaven 02\_42. 07.30, 04] Just be patient! Because the rich and large children of Satan are only softly admonishing beginnings of what there is to come! -Behold, the Justice sits them on the necks!

[Gifts of Heaven 02\_42. 07.30, 05] Probably, this gender should lose his (human)name! I want to remodel the monsters to crocodiles and dragons in the pools of eternal death! And the hell of the farthest abysses must get countless growth on them! Truly, I say unto you: these nation countries receive already daily tens of thousands times the well-deserved wage in the world beyond; but it should become all better! ...

**[GEJ.10\_029,06]** But in America, this story will not last long anymore. In Southern America, where the Babylon is still much more present than anywhere else on Earth, a big judgment will soon break loose because the Babylon must be transformed everywhere into a new Jerusalem and the pigs of the pagan Gadarenes must go to ruin in the grave of their night.

**[GEJ.10\_029,07]** I think that I have shown you more than enough now, as a 'NOTA BENE' for this time. And everyone who can somehow count will easily come to realize what the situation is and why this is happening, and that by necessity they soon must produce their result.

**[GEJ.10\_029,08]** So you should not ask Me for the year, the day or the hour, since all these things are already clear for everyone, and everyone must certainly see the very near end of the night when he sees the little clouds on the horizon that are brightly illuminated by the sun.

**[GEJ.10\_029,09]** Just let those people who possess some power in one way or another try to forbid the grass and all the herbs, bushes and trees to grow again in the springtime, to make new buds, to become green and to bloom, and to prevent all this, or to command the wind and to prescribe the free flash of lightning its way, then they soon will be convinced how great their powerlessness is as a result of their folly.

**[GEJ.10\_029,10]** Once I have spoken out something and want it to happen, it will happen as certain as the sun must come up every morning and go down in the evening. I actually do not have to tell you anything further, although I still can see a question in your mind in relation to France, as to what this kingdom, which is now in earthly respect very powerful, will do regarding the present, general flowing of light. I say to you: to go against My will, will certainly be hard and impossible.

**Note: America is a part of the of the modern house Israel. The blessings and curses of Deuteronomy 28 are still in force. The ten tribes went later Northwestern over Europe, more to the British Isles and from there to America. In fact, America was likewise conquered as Israel, in the time of Joshua. They are blood relatives with the physical nation of Israel. The Government of the United States has paid the physical nation and kept the country Israel since 1948 alive. The one brother keeps the other brother alive even though they have not known. These are the same people that were led out of the land of Egypt ...**

America is compared with Ezekiel 38 and 39 and China with Gog and Magog, including Mongolia. Isaiah 5:8 warns that a few, at the expense many own the whole country. Revelation 13 in the Bible speaks about the two beasts. A political system with world dictators and an incorrect religion system. The world banks are all bankrupt.

**A collapse of the stock exchanges will happen soon. And will be 100 times worse than that in 1929!** The Lord will return and as he once in the temple at Jerusalem threw the chairs and the tables of the money changers and hit with a whip through the temple space, so the Lord will do this on a large scale on the whole earth ...

Revelation 16: And the sixth poured out his bowl upon the great river Euphrates and its water was dried up so that the way might be prepared of the kings of the rising of the sun.

The Euphrates is with its length of 2165 kilometers a barrier for armies from the East. China will in the final phase of the current world order possible stand up as a formidable end-time-Force. China, the "Great dragon" will lead the March to the Holy Land. According to the Bible, the army of China and their support will count two hundred million soldiers. The legendary "yellow danger" where one is talking about for years, will be a horrible reality. Revelation 9:16 says that when this huge army begins to March, this will cost one third of the world's population life. China possesses a large number of nuclear weapons and intercontinental missiles, with which all countries in the world are within their range. John describes the heads of horses of this army as lions heads, while fire, smoke and brimstone comes out of their mouth. The descriptions seem to refer to a nuclear war ...???

## Frans Schumi, a real prophet?

[limited assembled according to Wilfried Schlätz]

Because Frans Schumi [FS] wanted to be at least such a great prophet like Jakob Lorber [JL] was and is and FS wanted to give his statements as an absolute validity, he has therefore transferred his theses with artificial words of Jesus and put all his theses of Jesus in the mouth. He did so as if Jesus would have dictated all of these statements to him.

Therefore, you must check each individual FS-statement exactly whether it matches the real Jesus-words which via JL are in compliance or not. The following FS statements about the being of Mary and about the Mary devotion **match partly in this matter** the corresponding real words of Jesus by JL **and are therefore partly true and correct on this topic.**

The following FS statements about the being of Mary and the devotion to Mary **are generally wrong from form** because they are (by FS himself or by an otherworldly lying spirit) as artificial words of Jesus, formulated so as if Jesus himself would have formulated all these ideas and then just dictated them to FS just as he had dictated his real words to JL.

Only the Archangel Jahred- Gabriel as well as Elisabeth, the wife of Zacharias, were commissioned by the Lord and had the right to greet Maria at the time, to the true incarnation of the God's Centre in Jesus and as Jesus to point this out prophetically. However, It does not follow the permission that every human should greet and praise Mary prophetic today because by speaking these prophetic Angel greeting, the Mary-devotion and Mary-worship are promoted. The real Jesus warns us to give divine worship to Mary in one way or another.

This FS-opinion claims, however, that the Earth body of Jesus by the omnipotence of God from the Spirit, so at least from an energy of second degree, by a sudden change of the spirit in the purest matter had been created and therefore from ' the strengthened spirit 'must have endured. This sudden violent haughty is excluded because a God's center of Jesus- Jehovah never makes a spirit [or a community of very many mini-spirits) haughty with violence and raises thereby the freedom between humility and pride ...

Also, this FS opinion gives the false impression that the created side of Jesus has **only** existed and that the Uncreated God Centre has lived directly in the flesh body of Jesus.

**Then Jesus would have been as the God-Centre, the only existing true God which seemingly became a created human because the God Center should only be enrobed with a matter-body without a conscious.**

But this pure matter-body has no human created I, so that the created part of Jesus would not have been a true created man but only an unconscious body of matter without created awareness of the self. A full created human consists not only from a material body but has at least a natural soul and a created human spirit as created carriers of our everyday I-(ICH) awareness.

This FS-Opinion claims emphatically that Jesus had **only** a created matter-body and also had **no** real soul nor a created human spirit and thereby, above all, must have had particularly **no** human I-consciousness!

This erroneous FS-opinion claims emphatically that this FS-Jesus was only ***pure a God*** and must have been **a pure divine spirit!** Shown is that Jesus **was both** the only true God as the eternal created prehistoric man **and also** a truly created human being, at the same time.

This erroneous FS-opinion claims further emphatically that the material body of this FS-Jesus from Maria was already completely deified! A created as the created Earth body of Jesus, can **never** be deified in an uncreated body but can, at the most, be declared to a higher level or be Spiritualized.

So was the discarded matter-body of Jesus, on Easter morning, transferred to a substantially lower soul-dress and the created nature soul of Jesus added as a perfect soul.

Franz Schumi (FS) knew all the latest works of Jesus through Jakob Lorber **from the outside** (JL). But FS had these works never understood right and developed with his mind both a false theology about the being of Jesus and a false theology of the redemption. FS also wanted to be a prophet like JL. Therefore, he made his erroneous theology in counterfeit words of Jesus, because he wrote all personal pronouns: I, my, to me, from me, Me, etc. with

large initial letters and did as if the real Jesus had foretold these false theological thoughts. Franz Schumi ended his earthly life by committing suicide.

---

The last trumpet

# The Raptures

Someone [ of the region of Stuttgart ] sent me a message via the mail from pastor Olav Rodge from Bergen [ Norway ] dating from 1952. It involves a future rapture from this Earth. This article can also be downloaded completely: <https://www.gloria.tv/media/nsk1kMAwMm5>, We now publish only the important sections and comments.

Olav Rodge: What I write here has taken place on Thursday, December 11 at the morning, in the house of a fellow brother in Bergen, Norway, just when I was at prayer. I was shocked when I received a REVELATION. She was so clearly as if I would have read it in a book or a newspaper.

Until now, I had not occupied me with the rapture or what seems like it, what would have my attention or my thoughts perhaps drawn to it.

I knew at once, at the same moment, that I should write down what I saw; but I did not know right away that it was a REVELATION of God. I was thinking that they were fantasy images of my own imagination! I tried everything to forget and to escape the thoughts of it but I could not rest! To get out of this trouble, I prayed to God and asked him, 'Lord, I cannot remember everything but when it's your will, reveal it to me again and I will publish it! '

About two weeks went by. Then I saw - it was at night, around 22.00hrs- again, for the second time, clearly this REVELATION. And now I had no doubt. I took a pencil and paper to hand and started to write down all events that took place before my eyes. I wrote until one o'clock in the morning. Then I was too tired and could not continue writing, I was already 79 years old. So I asked God that he should let me rest, and if it was his will that I should write down everything, that he would allow me to be able to experience the continuation the next

day. I lay down and fell asleep. After a week, at night like the last time, I experienced the rest of the Revelation and she began exactly where it was interrupted.

This is a description of the REVELATION, as I experienced it and I expect that I can awaken your souls with it so that you turn to God before last trumpet 'resounds.Olav Rodge

**In short:**

This prophet wrote that there will come a time that when you pronounce the name of Jesus, you will be sentenced to death. Children turn their parents in and deliver them to a certain death, as it is written In the Bible (Luke 21:16 You will be betrayed, even by your parents and brothers, relatives and friends and some of you will be killed and you will be hated by all for my name's will '.

He further wrote: "I do not have words to describe the horror that was happening before my eyes. But in the Book of Apocalypse, God has revealed to us that lamentations and woe ', and curse' will come upon us, and the wail of the unfortunate continues: 'Lord! Lord! Come and shorten these days ... '[Matt. 14:22]

The Saints were snatched away from the earth. '-The Bride of Christ was led into heaven.' The people were now eager to hear the word of God but the Bible was now a closed book! A man was trying to explain to them but said, however: " I can only read the letters but I do not understand" . He gave the Bible to another man but also he said the same thing. That was for all those present too much and all began to complain and cry '...

They were not "born again", they did not carry the seal of the promise and also not of a child of God. They had "no right of inheritance"! For them, the church was simply a society, a nice place to spend free hours with friends. But now these people were shouting "Lord. Open the door for us!"

The contacts between East and West will be canceled .The Third World War is to be expected '. The announcement of the entry of the death penalty for all who spoke the name of Jesus caused the greatest dismay. Yes, the hour had come when all over the world, the so-called "Christianity" was found guilty! That meant certain death and also for those who kept some reminiscent of Jesus Christ and his teachings in their homes.

Especially from mission territories disappearances were reported of very many people. Olav reported about a woman, whose daughter Ruth suddenly disappeared. 'I just saw something shadowy that swiftly slipped along the wall.... From one moment to the next some colleagues disappeared as if they had agreed on it with each other without leaving any message ... It was Jesus, yes it was He. He was the one who came for his people ... it is estimated that the total disappeared people count several hundreds of thousands, including many soldiers ... the number of people cannot be determined without leaving the slightest trace '.,

Someone suggested - that at a sudden disappearance of a friend- slight mist has been seen and then nothing. A large number of people disappeared under the same mysterious circumstances! 'Until so far in short the announcement of Olav Rodge.

Remark red.: 'It could involve an rapture on Earth from one place to another because of an impending major cleaning on Earth. G

One of the last words in de Bible is the promise of our Lord: 'Yes, I'm coming soon!'. [Rev. 22:20] But before a great hardship will come upon the whole earth as she has not been since the beginning of the world until now, and will never be. [Jeremiah 30: 6,7]

**[Note: From 2015 the world's greatest migration started!]**

According to Daniel 9:27 this need will only last seven years, the second 3 ½ years of the seven years will be very unpleasant. And ... we're standing at the beginning of this terrible time. Jesus will give us the sign of His cross. And just in Revelation 22 [22 = means the sign of the cross!] the 22nd verse **is missing!**- [the nonexistent 22 verse]. Why is especially here no closure with the 22nd verse in Revelation 22? We'll never know! The "missing verse," which of course is not missing! This might be a hidden encrypted indication of a possible return of the Lord. We do not know. These are just thoughts. But we must still remain "awake" always!

The return of Jesus could possibly occur earlier - whole suddenly - sooner than humanity does 'suspect'! The expected year might be for example In 2022, on the THIRD DAY! [I.e.: on the threshold of the 3rd millennium, the 3rd one thousand years after Chr.] For the Lord, 1000 years takes only one day. A small calculation [only just a speculative thought !!!] makes that  $2015 + 7 = 2022$  and  $2015 + 3\frac{1}{2} = 2018 - 2019$  - and since that time it could be a time of one of the greatest oppressions of all time [according to Daniel. [In 2015, a major world evacuation started!] We do not know whether this time, which Daniel speaks of is applicable here! It appears so!

In 1968 a Norwegian ninety-year-old woman got the following vision:

Shortly before the Lord comes back, there will be a relaxation, such as we have never experienced before. There will be peace between the superpowers from East and West. Then there will be a lukewarm attitude build among Christians, without precedent. The waste of the true, living Christian faith. Just before Jesus returns, the Christians are no longer open to the Gospel. They want to hear no more, as before, about sin and grace, on law and Gospel, about repentance and conversion.

Instead, a replacement is formed, a "happiness Gospel. It is about success, about material goods, things that God has never promised us. Churches, places of worship and free communities, will be phased out. There comes a moral decay. People are living together as married, without being married. Large impurity before marriage and infidelity in marriage will be quite normal. This will also happen in Christian circles. There will be television broadcasts that people have never experienced. The television will be full of violence. Violence will increasingly be seen as entertainment. We will see terrible scenes of murder and destruction. Also be bed scenes are presented. The most intimate things which only happen in marriage will be displayed on the screen.

**People from poor countries will flow to Europe. There will be so much, that people begin to find it annoying and treat them hard. They will be treated just as the Jews before the war. Then it is enough!**

**"Then, all of a sudden, ' the old woman decided her story, while the tears flowed down her cheeks, the third world war ' breaks out and Jesus comes back. It is a short war, in which nuclear weapons will be used. Those whose sins have been forgiven and who know Jesus as Savior and Lord are safe. ' So far her vision!**

**Comment: The translation from Norwegian is unfortunately not quite correctly retrieved.**

It is certain that there will come a terrible time before the coming of Jesus – and it doesn't matter much, how we calculate, no one knows this ' day 'yet. However, it will not take long anymore when Jesus will come. Before that, the many signs speak for themselves according to Matt. 24.

What we do know is that every man must remain alert for himself ' for his soul and must always stay in connection with his spirit. That means to God, the father, our Lord, Who wants to live in us ', if we allow this. We should carry the cross after him says Jesus to Joseph and Rose in Ostracine [Egypt] – [youth of Jesus] – and at various places in the Bible.

The Hebrew word for cross is:

Ts = 90 [18. Hebrew sign]  
e = --  
L = 30 [12. Hebrew sign] >>>>>>>>>TseLeB [Tsel en Leb]  
e = --  
B = 02 [02. Hebrew sign]

That is a total of **122**. Each Hebrew character has a number according to the order. That is nothing special because the Romans had always applied them, what we see, for example on old houses whose years are indicated in Roman numbers such as X = 10, V = 5, L = 30, M = 100. While the last letter of the Hebrew alphabet ends with a **22** character. T means cross [Taw].

About 2000 years ago, Jesus has taken on the cross for all mankind – but not for those people who wanted to live loose again without adhering to any commandment or prohibition! Jesus encourages us to bear his cross, both for yourself as for your neighbor.

In the time of "tribulation" the Lord will take away the believers to heaven' [John 14:1] – **[note: this can also mean through the sky !]** The antichrist will reveal itself according to Revelation 3:10. It becomes quite clear that not everyone will experience the ' hour of temptation '. Enoch was carried away before the flood and only a few [8 guests] were preserved all that time. In Revelation 3:10 we are promised that we will be spared for this hour that will certainly come across the World. This could perhaps be related to ' the Rapture'. "Come up here! " describes Revelation 4:1. A few chapters further ,John writes on Patmos on the ' martyrs ' who call for revenge and use statements which we know from the Psalms (a form of religion from the East!) – Revelation. 6:9-11

*Math 24:21 For then there will be great tribulation, such as has not been from the beginning of the world until now, no, and never will be.*

There will be two appointed prophets of God but they will bring many plagues on the Earth. [Revelation 11:1-13]. The animal, the upcoming Roman ruler [the Pope!] should not be worshiped. Revelation. 13:8. In 12:5 the Rapture is emphatically highlighted. See below 1 Thess. 4:15-17 and 1 Cor. 15:52 and as in Matthew 24:40-42.

The second coming of Jesus will be like a lightning which extends from the East to the West. [26, 27]. With the call of the trumpet, multitudes of radiant Angels will surround the Earth globe and they will collect their selected few by the four winds. Then the faithful will be led away **in the air!** ' [40]

Jeremiah 4:23, 25:33 and Revelation. 20 are here to read as source! There will soon come a time with a false peace. And when one says: peace and security ... then, all the sudden, it strikes! [1 Thess. 5:2].

This Rapture was also known to the disciples of Jesus when they were expelled by him to practice his teachings among the people. So is the story of the air travel of Judas described in the Great Gospel of John 1-164:9-10 and 2-96:6.

**Note: We but do not know whether this Rapture will take place soon in this tribulation time or at the end of a thousand years or after unprecedented time when the Earth melts from her matter. According to Olav Rodge, this will happen soon [or the 'little Raptures']. This on the basis of a number of important biblical texts; which are very worth while reading and consider them in relation to the coming 'Raptures. He will return at the beginning of the 3rd great world day - [right after the first two thousand years]**

1 Thess 4: 17 -Then, we who are still left alive will be caught up with them in the clouds to meet the Lord in the sky. And so we will be with the Lord forever.

2 Kings 2:11-As they were walking along and talking together, suddenly a chariot of fire and horses of fire appeared and separated the two of them and Elijah went up to heaven in a whirlwind.

Gen.1:24 -1 Moses. 5:24: And while he lived a divine life, God took him and he was no longer seen.

Hebr.11:5 -By faith Enoch was taken from this life so that he did not experience death: "He could not be found, because God had taken him away." For before he was taken, he was commended as one who pleased God.

Rev. 11:12-Then they heard a loud voice from heaven saying to them, "Come up here!" And they went up to heaven in a cloud, and their enemies watched them.

Rev.3:11- I am coming soon. Hold on to what you have, so that no one will take your crown.

2 Peter 3:7 -By the same word the present heavens and earth are reserved for fire, being kept for the day of judgment and destruction of ungodly men.

2 Peter 3:10 -But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

**Revelation 22 has 21 verses - perhaps it is a more plausible idea to think that the Lord just wants to reveal himself VISIBLE for all eyes, in verse 22 of the New Reveltions.[ The non-existing verse! But now as HIMSELF!] Maybe in the year 2022. That he shows himself alive to those who are open to it [as the Bible, as the WORD of God] and meet Him as the bride to the groom. The 'end of time' is a new time: a time in which again a connection takes place with our Creator – internally and externally. Joh. 14:3 - and if I'm going to give you the site, so I want to come back and take you to me, so that you are where I am.**

2 Peter 3:8 -With the Lord a day is like a thousand years, and a thousand years are like a day.

Psalm 90:4 -For a thousand years in Your sight Are like yesterday when it passes by, Or as a watch in the night.

John 14:3 -And since I'm going away to prepare a place for you, I'll come back again and welcome you into my presence, so that you may be where I am.

Jeremiah 30:7 -Alas! for that day is great, so that none is like it. It is even the time of Jacob's trouble, but he shall be saved out of it.

Zeph.1:15 -That day is a day of wrath, a day of trouble and distress, a day of waste and desolation, a day of darkness and gloominess, a day of clouds and thick darkness,

Daniel 12:1 - At that time shall Michael stand up, the great prince who stands for the children of your people; and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time your people shall be delivered, everyone who shall be found written in the book.

Rev.3:10 - Because you kept my command to endure, I also will keep you from the hour of testing which is to come on the whole world, to test those who dwell on the earth.

### Wilfried Schlätz [WS] writes about it:

"Up to the time, this whole earth resolves in the fire. Because, as at the time of Noah's you are free and can be used free and don't worry about the voice of my arisen, I will keep these but then just in a moment of this earth, and those with all the destructive fire reveal about their favorites, to which the current unrepentant world people themselves will contribute the they. And behold, this will be the last meal on this earth.

Because according to the Jakob Lorber-texts, about 40% of humanity will survive the Earth and that by the genuine, loving and very wisest Jesus -Jehovah-ZEBAOTH He all immature souls in the afterlife let ripen further in the appropriate spheres, suitable for them [schools] and does not dissolve the immature not with violence, then a physical Rapture of the Earth is totally unnecessary! (WS)

In the extreme emergency is at the most, a movement to another safe place on Earth possible because the spirits of nature will set a large area on Earth on fire! (WS)

Only at the final end of the entire Earth as world body (duration: millions of years) at the very last fire on this earth, it will come to a Soul ' movement ', that is, that the pure people and the good ones will be transferred -as with Enoch and Elijah-by a sudden exalting of their bodies to their spiritual heaven- homes in the hereafter.

' Until then, in which time the entire earth will be solved by the fire. Because, as at the time of Noah they will make love and will be made love to and are not interested at all to hear the voice of my prophets; These people, however, I will remove directly, in one moment, of this earth and reveal this and such person with all his darlings to the all-devastating fire, those who are originated by the then unrepentant world-people will help themselves the most.'And see, that will be the last Justice on earth!'

---

# **The Individuality of our nature-soul**

From Wilfried Schlätz

**1.Assumption:** The structure of the human

**2.1.Question:** I have a question to my soul for a long time. Before the "fall of the spirits", was I also a Trichotomy (triplets) consisting of my soul (as outside- body)from my not yet fallen spirit and a pure spirit?

**2.2.Answer:**

**2.2.1.** We originally had a pure spirit (light from the 3<sup>rd</sup> development stage or Level) from Lucifer when he was still pure. As he fell, his pure spirit went out of the light of the 3rd level into the light of the second level but also his pure spiritual spark within every one of us went along from the light of the 3rd level to the second level of the light and tore us down

The Lord removed now all this fallen spiritual light sparks from us [now consisting of the light of the second development level] and bestowed with Adam, to every man a whole new pure spiritual spark from the light of the third development level as a new higher I, as with Zorel and now also with us, that has to grow up and dominate and modifies the rebirth of the SOUL (human spirit + nature spirit) and as the highest achievement of the Old Testament as well.

**2.2.2. Jezus via Jakob Lorber (JL):**

**2.2.2.-1.** [GGJ.04\_035,02] *The less perfect a planet is, in the same degree his emigrants are also weaker. They have to endure a lesser life test but their souls can be harmed more extensively. Nevertheless, they have a strong primeval life germ in them, if awoken in the right manner, then these souls are soon back in a full life order.*

[GGJ.04\_035,03] *Finally, most often, there are souls who descended from this earth since the primordial beginning. They are the most actual to be called to the childhood of God, are the weakest and can on their own easily become totally corrupted; but this is also not that easily possible, because for every one hundred there are one or two strong souls from above, by whom the weak souls are hindered and protected to become completely corrupted. Even if there are already very lost sheep among them then in time they will be found again.*

[GGJ.04\_035,04] *Yet every soul -no matter how weak, helpless, utterly confused and depraved in itself - has within it the primal life-germ which can never be corrupted. If in the proper course of time the soul has been brought to a stage where its innermost primal life element can be awakened, it is blessed forthwith, strong in love and wisdom in all things. It is then also a child of the Most High in the same way as an angel incarnate or a soul from a central sun, a lesser planetary sun or from some other dark and as such lightless earth globe, of which there are more in the vast expanses of space than there is sand in the seas and grass on the earth.*

**2.2.2.-2.** [GGJ.04\_052,12] *Behold, Zinka, this is what the friend has spoken, and inside myself it gets strangely bright, and I start to notice, as if something starts to stir in my heart; and what is stirring, is a light, and the light has a form in the heart like an embryo in the mother's womb. It is completely clear, I see it. But now it gets bigger and mightier! Ah, what a marvelous and completely pure light this is! This is most likely the actual life-flame out of*

**God in the true heart of man!** Yes, yes, this is it! It still grows continuously and, oh, it does me so good!

**2.2.2.-3.** [GGJ.04\_053,01] (Zorel:) “Ah, **my inner life-light** gets tremendously strong; it already penetrates all my intestines! Oh, how pleasing is this light for my whole being! I see it now in the form of a four-year-old child with an extremely friendly expression! And it must be very wise; since it looks like a most purely thought small god, but not like a fantasy god of the Egyptians, Greeks and Romans but like a wondrous effigy of the true God of the Jews! It **is an effigy of the true divinity!**”

**2.2.2.-4.** [GGJ.04\_053,10] But now **my inner light-person** is as big as I’m myself, and strange, I’m starting to get sleepy and my friend tells me to rest on the green and odorous lawn! I will do so!”

**2.2.2.-5.** [GGJ.04\_054,08] But now you surely have seen or rather observed real lively by the monologue of Zorel, that in his soul another **inner light-person** out of the heart of the soul started to sprout, to whom the soul stands in the same relationship, as the material body to the soul. Now, this light-person in this his soul as his jointed garment, never before received any strengthening whatsoever; he was lying in the heart of the soul like the egg in the woman without the male stimulation, excitement and awakening. By this very treatment the actual **primordial life germ** became stimulated, excited and awakened for the moment by My and Zinka’s word, and since this has happened to him, he started to grow for as long as his entire soul, which is his garment, was filled with his pure spiritual being.

**2.2.2.-6.** [DTT.01\_021,19] Besides that, you are still greatly mistaken if you think that **spirit** and **soul** are one and the same thing.

And besides, you are very mistaken if you think that **Spirit**<sub>+3</sub> [= the entire pure Spirit from the light of the 3rd level as of our higher I] and **Soul**<sub>(+2+1)</sub> [=human spirit<sub>+2</sub> [our Everyday- I from the light of the second level] plus nature soul<sub>+1</sub> (our lower I from the light of the first level)] are one and the same!

The **Soul**<sub>(+2+1)</sub> [humanspirit<sub>+2</sub> plus natural soul<sub>+1</sub>] with men is the Spritual Product from the **Matter**<sub>0</sub>, because in the matter are only condemned spirits present that wait on their redemption. The **pure spirit**<sub>+3</sub> [= the higher I from the light of Level 3] is never convicted. Every person has his own **spirit**<sub>+3</sub>, that was given directly by god which does everything, takes care of everything and guides everything in the becoming human but that connects itself only then with the **soul**<sub>(+2+1)</sub> into a single whole, when completely out of free will is fully recognized and accepted that it passed into the divine order, whereby the soul also has become pure spirit.

**2.2.2.-7.** [EM.01\_053,12] On the other hand, human beings have an infinite advantage: they possess a mighty [very pur] **spirit**<sub>+3</sub> from God, with which they can, if they only wish to, fend off this wickedness and thus become consummate children of God.

[EM.01\_053,14] Behold, it is a disadvantage for human beings to be on Earth because they live so close to the most evil of all spirits, who causes human beings so much anguish. On the other hand, human beings have an infinite advantage: they possess a mighty **spirit**<sub>+3</sub> from God with which they can, if they only wish to, fend off this wickedness and thus become consummate children of God.

**3.1.Question:** After the fall my human mind was "captured" and my soul ' disassembled 'in her primal matter. My soul had later the opportunity through catharsis by matter to collect

herself back together. Now to my question: Is my soul as a whole (after the catharsis of the matter) in the same composition as **before** my fall?

### **3.2. Answer:**

**3.2.1.** Our human spirit (= our daily I-conditions), now back from the light of the 2nd development Level sank at the time from the 2nd light to the light of the first development Level but retained its composition and its Primal individuality = unique composition of numerous intelligence particles (from the light of the 2nd Level and after the fall from the light of the 1st Level).

**3.2.2.** our natural soul (= our lower I) originally from the Light of Level 1 [ developmentstage], sank down to the light of the 0-Level=matter and splintered into countless individual intelligence-particles from the 0-light, i.e. matter from the fallen human spirit which now came from the light of the first development stage [1Level] had now, in endless times involved searching together his individual scattered particles [the material specifica of his former complete nature soul] from the original light of Level 1. He was thereby purified and slowly rose again into the light of the first level and proceeded to the original light of the second level

**3.2.3.** The material scattered [fragmented] specifics of our condensed to matter nature-soul were purified in the countless Steps [Levels] of mineral, plant and animal again to light Level1. and the original nature-soul before the fall fromwas reunited to light Level1.

Because it has exactly the same specifica as before the fall, she also has exactly the same primal individuality with our face and can now with our also purified human spirit (= our everyday ICH) be United by light of level 1 tot the light of Level 2

Then the Lord, as was already mentioned above, will plant a completely new pure **spirit** +3 from light 3 in our **human spirit** + 2 = planted as our conscience (as our higher self) with which we will shall become one and that then this will dominate (as with Zorel at the height of his sleep as he, for short time, spoke like a perfect Angel of the old heaven), so that by the rebirth of the soul, i.e. the highest perfection of the OT, was reached.

=====

**Does humanity descend from Adam, or?...  
Swedenborgians claim something else!**

' And God created man to His image; to the image of God he created him; male and female he created them ";

' Because, 'says Swedenborg,' because man is finite, he can only be created from finite things. That is why the book of creation said that Adam was made from Earth and from the dust thereof, to which he also was named Adam [red.: Adamah = Earth] because Adam means Earth'...

Dr. E. E. Lungerich writes in the Essay on Swedenborg under the lead: the cosmology of Swedenborg –Edition83 – October 2013:

'Because this creation took place in different areas of our Earth at the same time, it is clear, that there originated different human races; thus they did not come from one single pair.

This witnesses also Genesis, where it says: "he created them male and female" and later on Cain, son of Adam who went abroad "where he married and he had a sign on himself so that all those who found him could not defeat him". So, Adam and Eve were not only a single couple, continues Lungerich, where all people are coming from but they were only the archetype of a couple for all people on Earth who had developed in this era to the highest Level of honesty from which she later, nevertheless, fell down gradually to a lower spiritual level.

He cited [Lungerich] that it is a fact that all plants are similar to each other but that doesn't prove yet, that one plant sprouted from the other plant but only that they all have balls of ether as a soul. The fact that all animals look substantially similar proves not that one animal came from another animal and nor that man had emerged from it as their offspring but only that the animals have the same kind of soul namely, one consisting of magnetic balls. The fact that all people look alike does not prove that they all have the same kind of soul, namely the one consisting of balls [red. Note: planet!] shaped from the spiritual atmosphere'.

**Remark: To my opinion, The New Revelations through Jakob Lorber and the Bible teach us the exact opposite namely that all people come from Adam.**

That Kajin went to another country and married someone else could, due to the fact that, when he left – he was a few hundred years old – and in such a long period of time, more than one people can possibly arise. [But where does it say that he married elsewhere?]

Kajin was born at 101 A. Adam and after 200 years old [ca. 320 n. Adam] he fled to Nod. But before he fled, he was already married and had children. At that time there was no incest in the family and everything was still very pure and a cousin could marry with a niece which also occurred frequently then. Not much later, this was no longer possible [also a wonderful theme to write about!] and Moses had to draw up laws for this!

I have addressed the Swedenborg Foundation on it and I said, that a serious error was made. However, they referred me to the Catechism, prepared from the literature of Swedenborg but I could not find anything in it, which of what they held me before the eyes. However, in order to get more clarity about the history of KAJIN, here a detailed description about what the Lord through Jakob Lorber describes in the book: 'The household of God, part 1, that describes.

The fratricide of Cain on his brother Abel must have been in the year 3831 BC, because in 3231 BC said Adam to his wife Eva: 'and you, mother Eva, behold, ... for those, which you now see, we lamented for 600 years is back in Enoch

[Household of God 1-48-25]. According to Hannelore Winkler in her new book ' Neues Wort ', Abel was 218 years old at the time of his murder.

In 3831 BC. [320 A. Adam], when, Kajin was about 219 years old, the Lord pointed him and his family to the dry bottom of the Caspian Lake which is now a Sea. This flight lasted three days and nights. Kajin had already 10 sons who Adam and Eve have known perfectly well. At first Kajin fled to the garden of Eden, a beautiful little hill country full of the best fruits and he liked it there and wanted to stay there permanently.

But when he saw a man with a grim look and a stone in his hand, he understood that he could not stay there and he fled to a large plain lowland. He oversaw his actions – met his brother Abel as Angel-spirit and prayed afterwards to the Lord in largest mourning. In response Kajin got: ' see I want to give you a certain amount of time, up to two thousand years. [ to 1830 BC) [Red. Note: in order to protect his descendants until that time!]

And so two independent cultures developed from this period where one culture stayed in the mountains of Caucasus [e.g. including the current Georgia] [Adam with his people!] and the others in the low Plains of among other Turkestan [Kajin].

Only a year later [ 321 A. Adam] the Sovereign Kajin begot with his wife Ahar an eleventh son in Nod and gave him the name ' Enoch '. [= the honor of Kajin]. The question here is with who were these 10 sons [+ Enoch] married? Kajin would also have had daughters? However, this is not mentioned.

Kajin built a city for Hanoch with a castle, that lasted 60 years. He wanted justice but had banished the love and did not think of, that without love there exists no justice. He gave the city to his eleventh son Enoch and commanded him to respect all the prescribed laws to his discretion. The 77-year-old Prince Enoch turned out to be a great tyrant. All had to bow before him and even work, including his father Kajin and mother Ahar. Kajin was even threatened with death and had to flee for Enoch. His 10 older sons stayed behind at their brother Enoch and served him as counselors. Kajin fled with his further 4 descendants and wife to the Persian Gulf. He prayed to God in his desperation. The Lord send him an Angel [his brother Abel] and this changed Kajin, on the banks of the sea in a black color.

His hair became curly. And so the Angel Abel spoke: ATHEOPE ' Brother, now you are free from any debt. So did Kajin escape his persecutors who was on his heels. By ship he fled over the Arabian Sea and landed after 40 days on a large island. From there, all his offspring populated all islands in the Indian Ocean. Kajin is the ancestor in Africa, America and Australia. His tribe, the blacks- on the southern hemisphere- survived the flood. [source Household of God 1-22-25]

Not Adam, Eve and Methuselah were the oldest people on Earth in a human body but KAJIN [ATHEOPE] who lived more than 1077 years in his body and after that he was renewed again by the Lord. He knew Noah, Abraham, Moses, all the prophets and Melchizedek, the high priest. He witnessed even the birth of Jesus. And behold, as he STILL lives in a natural and spiritual way, hidden

on a small island in the middle of the great seas that a mortal NEVER will find, as the first OBSERVER of all our doings!!! ..... This history is given to us to think about ourselves. [Household of God 1-25]

*But I say yet more unto you: you are aware of how, as always was, there also are prophets today and there always shall be to the end of the world and to every nation upon Earth, regardless of which faith. Because through the prophets alone, regardless of whether all ties between Heaven and Earth may have already been severed, a secret bond nevertheless is kept up which no dark power is capable of breaking (GGJ.01\_141,01)*

**About true and false prophets as well as the ' new Word ' of Jesus by Klaus Opitz (brief summary) (Kurzfassung)**

from Klaus Opitz

In the writings of the **New Revelations** are many statements about the keyword prophets,: **seers, writers, spirits, real and false prophets, major and minor prophets**, even the **spiritualists** are not forgotten.

What concerns 'The Great Justice', Jesus Himself comes now back to us through His new Revelations to bring back His **real teaching**: "**..and so that no falsification of the human side occurs, I dictate now, therefore Myself to my writer what I want to believed and succeeded by the people**".

A small passage through the mentioned keywords:

Influences by Spirits  
Real and false prophets  
Major and minor prophets of the purification-time  
The New Revelations  
About the return of Jesus

## Influences by spirits

"now, in the era in which you live, add next to my announcements [by Jakob Lorber, Leopold Engel, Gottfried Mayerhofer] also **the announcements of my spirit-world which I admit, whereby many sleepers will awakened and be enabled to think** about things which they formerly had never dared to dream ...

At the time (the lifetime of Jesus) **My Teaching was a new one and founded on the already existing Teaching [OT] self explanatory and to the correct understanding of the spiritual world;** now, **where the world is close to the abyss of the utmost selfishness, the renewed same teaching must come back but with other means and in other ways!**

After **humanity could not be saved from its decay by ordinary means**, I allowed that **my spiritual world** must accomplish what was not possible for the human. (Gospel of John Chapter 19, verse 14-16)

So was this widespread '**spiritualism**' as you call it, born. [Spiritualism comes from the Lat. 'Spirit. The general opinion is, that this has to do with the connection of living people with 'spirits of deceased persons!]

..... **There still hasn't come a spirit to you, who discussed this with you in enlightening explanation and opened your eyes so that you could see the world and all the universe Spiritually. And do you know why? Because these spirits, who wander on your Earth so far, usually only know what they knew during life and therefore often now much less than yourselves.**

Firs, become **spiritual and noble people** and you will attract other **greater spirits** which may allow you to take a glimpse into the Great Realm; **but you must bring your own spiritual eyes**; sitting on the bench of a classroom is far from enough! ...

Therefore take it up for the mentioned reasons, my children! Do you want to achieve a proper ultimate goal with your spiritualistic (mental) goal, start with it, so that you learn to understand my voice in your hearts when this speaks **counseling, warning and comforting to you** and then you will, as you will find noble spirits, also find seeking fellow human beings and to provide them than pure heavenly bread but in such a way: **to give something, you must first have owned it yourself !**

*"Your writers, musicians, draftsman and still less your physical or test-'Medium' will never be able to give **because they themselves are hungry for spiritual food and do not know, where this can be found when I do not reach the hand to it** ". (From: "the religion of the future" (Secrets of life) Gottfried Mayerhofer)*

## Real and false Prophets

[GGJ.05\_140,05] '*According to outer appearance, the difference between a **concealed lie and a concealed truth** is certainly not easily noticeable, just as a **genuine miracle** can only be distinguished with **difficulty** or not at all by a pure, little experienced worldly understanding from the false one. Because a genuine miracle for the worldly understanding cannot be checked at all and the **magicians and the false prophets** let their miracles be checked by the people, just as little as you let yours be checked. But exactly for that reason there should never be any lie among you, no matter how small, or any deception no matter how small, no room left so that on the Earth there is an **institute** for ever in which alone only the truth reigns and there would be an enduring measuring stick of the world, in order to recognize the true gold of all truth from the false gold well and easily!*'

[GGJ.05\_140,06] '*If that is not mastered **then, in a few years after Me there will already be a surprising number of false prophets and miracle-workers who will transform this***

**religion of Mine entirely.** They, the **false ones**, will indeed also use My name; but their religion will not resemble Mine in the least and our miracles will be of a recognizably deceptive type to you and make very many **into firm converts of the false prophets.**'

[GGJ.03\_204,10] **'But how can one nevertheless tell a false prophet from a genuine one? Quite easily: in their fruit!'**

[GGJ.03\_204,11] **For one cannot gather grapes and figs from thorns and thistles!**

[GGJ.03\_204,12] **The genuine prophet** will never and impossibly be selfish, and any arrogance will be foreign to him. He will probably gratefully accept whatever good and noble hearts give him; but he will never demand fees of anyone because he knows that this is an abomination to God and because God can keep His servants very well!

[GGJ.03\_204,13] **But the false prophet** will allow himself to be paid for every step and deed and for every so-called divine act for the simulated and lied good of humanity. The **false prophet** will thunder on about the judgment of God and even judge in the name of God with fire and sword; but the **genuine** prophet will judge no-one, but only advise the sinner to repent and will make no difference between large and small and between respected and non-respected people. For only God means anything to him and God's word – everything else is a vain madness for him.

[GGJ.03\_204,14] There will never be a contradiction in the **true prophet's speech**; but bring **speech of the false prophet** into the light and it will be crawling with contradictions. No-one can ever offend the **true prophet**, he will bear everything like a lamb, whatever the world may do to him; he will only rise up in fiery anger against lies and arrogance and beat them down.

[GGJ.03\_204,15] The **false prophet** is constantly a deadly enemy of every truth and every better progress in thought and indeed; no-one but he should know anything or have any experience so that everyone is always and in all things forced to seek expensive advice from him for money.

[GGJ.03\_204,16] The **false prophet** thinks only about himself; God and His order are annoying and laughable things in which he has not even the smallest spark of faith, therefore he can make a god out of wood and stone with the lightest conscience in the world, however he likes. That then such a god can easily work wonders for the thoroughly blind people through the hands of the **false prophet** will be very easily understood!"

[GGJ.09\_185,07] **And he who wants to distinguish with little effort a false prophet from a true prophet and teacher who was called by Me should look at his works.**

[GGJ.09\_185,08] **What man can hide least of all from the eyes of his fellowmen are his selfishness and the pursuit of profit.** To satisfy that he soon and visibly will leave nothing untried to reach the goal for which his heart has an indestructible love.

[GGJ.09\_185,09] **Therefore, let the false prophets never receive might or outer reputation!** For once they have reached that, it soon will look extremely dark again among the people, and you will have a hard battle to fight against them."

[GGJ.09\_185,14] **From now on** (Life of Jesus) **for nearly 2000 years countless many seers and prophets will be awakened**, while at the same time **even a bigger number of false prophets** and even highly haughty, power-hungry and all love bare false Christs will rise. But also the judgments will continue and there will seldom be a ruler who because of his darkness will not together with his people, have to endure a severe judgment.

[GGJ.09\_185,15] **Towards the end of the indicated period, I will awaken even bigger prophets and with them also the judgments will increase and become more widespread.** There will occur great earthquakes and very destructible storms of elements, large price increases, wars, famine, pestilence and many other disasters, and as I have already remarked earlier, faith will - except for a very few - not be among the people and will be frozen in the ice of the people's haughtiness and one nation will attack the other.

[GGJ.09\_185,16] The people will be warned through seers and special signs in the sky, of which only a few of Mine will take note of while the world-people will only regard this as effects of nature and spit on those who still believe in Me.

[GGJ.09\_185,17] **Thereupon the greatest revelation through My repeated return to this earth \*) will take place; but this revelation will already be preempted by the greatest and sharpest judgement and be followed by a general thinning of the world-people through fire and its projectiles, so that I Myself can establish a completely different plant-school for true people on this earth, which then will last until the end of times of this earth.**

\*) the personal return of Jesus in the material help-body as between the Resurrection and Ascension.

### **Major and minor prophets of the purification-time.**

[GGJ.06\_176,06] **The vines in the vineyard,** are the actual people of this earth who are the shoots which have to be worked on. They do not have an agreement with me but they are there to be treated so that they bear God the Lord good fruit.

[GGJ.06\_176,07] All the [true] **prophets** however, like you are now, according to their [Apostles] **souls are not from this earth,** but they are hired workers from above and have signed up front a fixed contract **with Me** for the attainment of **the childhood of God, which is only possible on this earth.**

[GGJ.06\_176,08] All the **great prophets from the beginning until now,** you are included [in regards on the terrestrial period of Jesus], who received a **Great Revelation,** are the workers hired first for the vineyard of the Lord. {math.20,01-02}

[GGJ.06\_176,09] The **small prophets** who only have to do half the work, namely the **maintenance of the once given Great Revelations,** are those, who will come in My name after you, they will also receive certain **small Revelations** and do some prophesying from it, but the strength and power which I will give to you, they will not possess. They will have the same reward as you since their faith has to be stronger; for they do not see all the things you are seeing and experiencing now, their voluntary faith will be credited to them to a higher life reward. If they then will obtain the **same reward** as you, think that it was more difficult for them to believe what now takes place for the salvation of all creatures, since they were not witnesses of everything like you are. {math. 20,03-05}

[GGJ.06\_176,10] Finally in **later times** again **shortly before another big judgement, seers will be awakened and being allowed,** who will have the short, difficult task, to purify the teaching which became unclean, so that it is preserved and is not rejected by brighter thinking mankind as an old priesthood deception. These **third kind of workers** in My vineyard will not act through great miracles but will **only work by means of the pure word and the script,** without receiving any other striking revelation, **except the inner, living word in feelings and thoughts in their hearts,** and they will be full of the clear and reasonable faith and will thus without miracle deeds raise the withered people-shoots of My vineyard and will then receive from Me also the same reward which you have received as workers for a full

day; since they will encounter it as much more difficult to believe what more than, a thousand years ago, happened here. {mah.20,06-14}

[GGJ.06\_176,11] If thus the **large Revelations** are quite far separated from each other, God will also take care of that always and immediately newly awakened seers will come to the people as soon as the teachings of the **Great Revelations** start to become impure in anyway and this is done in such a way that the free will of man is not forced. This is the reason why the **Great Revelations** are given separated in time so that the people can move even more freely with their free will.

[GGJ.06\_176,12] If at the end of the world the people are diverted too far from their spiritual path,. Then of course there is no other alternative then to launch another **large Revelation**, which of course always has a judgment behind it, because it is itself a suffering judgment for the people. **For as long you do not put fire to the dead wood, it will not burn; however the fire will ignite it. And see, what the fire is for the wood, a large revelation is for man. - Do you understand this now?**

### **The New Revelations.**

[GGJ.03\_015,06] I say,... "That has also been taken care of! **For after Me the gate to heaven remains open** and what we are discussing now **will still be heard after a thousand years and written down** as if it was happening before the eyes of those who will walk the Earth almost two thousand years after us; and wherever there is a doubt one can receive advice from heaven. For as a consequence every man will have to be taught by God and whoever is not taught by God will not enter the enlightened kingdom of truth."

### **'Do you know why I, Myself, communicate to you My will through My servants and scribes?**

The reason why My direct messages have been flowing more abundantly during the past few years than they did in former times and why I am giving you so much **bread from the heavens, as has not happened since I lived on earth, is the fact that the time is now approaching when the world will reach its culmination in erring and deviation from My original creational purpose.** [The lords Sermons 1-26]

In those days **the spreading of My teaching** was more difficult, but today, through the invention of the art of **printing** [Internet], the spreading of My teaching is by far easier, so that the brilliance of My eternal light of love and grace can be carried to wherever the darkness of the worldly power threatens to assert itself.[The Lord Sermons 1-26]

**Now I will open the eyes of the unbelievers and explain to the literalists the true meaning of My Bible, so that nobody can use the excuse that he had not known the truth and could blame me whilst he alone is to blame.** Therefore, be strong you few who, scattered throughout the countries, are still keeping My pearls in your hearts! **Put your trust in Me!** (The Lord Sermons 1.01\_026,20)

### **At the time of Jesus ' life on Earth he himself has already announced the New Revelation:**

**'But you, as the first fundamental pillars of My teaching, must by yourself secretly know more than all the others together, so that you after a while surely not be tempted to renegade from this My teaching'.** [GGJ.04\_112,03]

**Nevertheless, all this will still not get lost and if a thousand and nearly again thousand of years has passed and My teaching has been completely buried in the dirtiest matter, I will during that time again awaken men** (Jakob Lorber und Leopold Engel), who

**conscientious will write down word-for-word in a large book** ("The great Gospel of John" 10 volumes by Jakob Lorber, band 11 by Leopold Engel), *what has been discussed here by you and Me and will be given to the world whereby many eyes will be opened again!*" [GGJ.04\_112,04]

### To Jakob Lorber

*Nota bene: You, My servant and writer (Jakob Lorber), now think, that I did not mention it at that time?! Do you also want to become weak in your faith as you are still weak in your flesh?! See, I say it to you, that I even gave your name and names of a few others to Cyrenius and Kornelius, even your and multiple other names have specified and who are now the joyful witnesses of everything that I tell you in the pen. But at the end I also will give to you the names (were not recorded) who from now on in two-thousand years will write down and do even greater things than you are know! (2000 years after Jakob Lorber, i.e. in the year 3864 after Chr. and there will be until the next, even bigger Revelation of Jesus)- Remember this for the time being and write down everything in full faith!* [GGJ.04\_112,05]

### To Leopold Engel

"Jesus awakened in 1840 **Jakob Lorber** and told after many other works from August 2 1851 **all that** (without the last half year of preparation on the passion in Ephrem and without the passion itself), **what** happened and was mentioned at that time in his presence, through his heart in the pen whereby the first ten volumes of the great Gospel of John were created. (1.GEJ to 10.GEJ).

Jesus awakened then in 1891 **Leopold Engel** and told **everything that was** happening to him and what was mentioned in the last six months (Ephrem and passion) in his presence, and Leopold wrote it down through his heart and created. Band 11 of the Great Gospel of John (The 11.GGJ)." (Wilfried Schlätz)

**Nevertheless, all this** (what Jesus has spoken and had done in his three years of apprenticeship) yet *will still not get lost, and if a thousand and nearly again thousand of years has passed and My teaching has been completely buried in the dirtiest matter, I will during that time again awaken men* (at least two: Jakob Lorber and Leopold Engel), who conscientious will write down word-for-word in a large book what has been discussed here by you and by Me, and will be given to the world, by which many eyes will be opened again!" [GGJ.04\_112,04]

*So I also will awaken men* [at least two, Jakob Lorber and Leopold Engel] from time to time to whom which I all that now is this my presence I will say by means of their heart to the pen, everything that now during My presence, is, happens and is being discussed. What will then be written once will in a short time of a few weeks and days be multiplied in many thousands of copies in a very artful manner which will be very well known by the people of that time, and so they can be conveyed to the people. And since the people of that time will almost generally know how to read and write, they also will be able to read and understand those new books [the great Gospel (John)] themselves can even probably also read and understand. [GGJ.04\_112,05]

### To Gottfried Mayerhofer

Jesus: **Now behold, my son (Gottfried Mayerhofer), for years I operate Me through you, to explain the visible world, as you they've been looking for. Many explanations came through your pen to many seeking souls. I covered you the veil of creation secrets like your predecessor in this writing job has entrusted you [Jakob Lorber]. I made you aware of the**

importance what in your eyes sometimes seems insignificant. All this was done for each according to his needs and according to its individuality, to receive food or "**bread from heaven**" and that he should choose to enjoy, and then finally **at the end he recognizes Me and love Me**'. (Gottfried Mayerhofer, "the religion of the future" The Secrets of life)

"... That is precisely why I have **Seers as new prophets** aroused according to another thought, that my Word should ever given to the people **unadulterated**, so that here no falsification of human side occurs, and **therefore I dictate now my writers myself, what I want the people believed and want to be followed**' (Gottfried Mayerhofer, "Does the Catholic or Protestant Church or my actual Church stands closer to me?" (Secrets of Life)

### **About the return of Jesus**

... 'And look, a lot of people on the whole Earth who nowadays are as if seized by a deep sleep by all kinds of laziness and darkness of life, must thus be led into a **heavy stormy movement** until they can be awakened after a long series of periods of time to a point where in this awakened condition they finally begin to feel what they are lacking!' [GGJ.08\_162,18]

**When such a condition will take place among men, also the time will have come to give them what they are lacking. Only during such a time I will come back again among the people in this world, and then I will do generally what I am now doing more specifically for only a few witnesses. I put now the seed into the soil, and by doing that I am not bringing peace among men, but the sword for the battle and for great fights and wars.** [GGJ.08\_162,19]

**Only the person who will accept My teaching and will live accordingly will find in himself the light, the truth and the true peace of life, although with that he will, for the sake of My name, have to go through many battles and persecutions, which you all will also experience personally. But when I will come in this world for the second time\*, also the fermenting, the fighting and the persecuting will cease among the nations, and the original relationship between men and the pure spirits of the Heavens will become common and lasting.** \*Personal return of Jesus in the material help-body like between the Resurrection and Ascension. [GGJ.08\_162,20]

**By what I have told and explained to you now, you can easily know and see why it is allowed that in time there will be, next to the small, true chair of Aaron on which I am placing you now, there will be a false and long lasting chair in the midst of the heathens, and how and why even the false prophets and teachers in My name will be allowed.** [GGJ.08\_162,21]

**But you and your true descendants should not heed when they also will hear the call from the mouth of the **false** ones, according to which Christ would be here or there. For I will never more move into a temple that was built by human hands, **but only in spirit and in truth of those who will seek Me and will pray to Me and will only believe in Me and consequently will also love Me above all**. Their heart will be the true temple in which I will abide and in which I will also speak to them, teach, educate and guide them. **Remember this very well now for yourselves, so that you will not be offended when it will all happen this way, but will remember that I have announced all this to you in advance, and also the reason why.**" [GGJ.08\_163,04]**

**„Don't you worry about what is happening now! Let them rush, which who created for the storm and let them suppress those who hang to slavery.**

***"But I say to you: true life will suddenly erupt at once, like a lightest lightning from the black cloud - and the clouds will dissapear. but the lightning will never take back his light, but continiues to light up. ' ( Gifts from Heaven. 03\_ 49.03.19, 00)***

## **The seductive Large force**

[Heavenly Bread 5582, 27 June 2016]

On Earth, there is a seductive force which wants you to believe, if you believe in Me and my Love, to bring yourself to that love, and everything we need to do to be that love, as a personal responsibility. And Yes, in your freedom you do have your own responsibility for the choices you make, but don't be fooled to believe something as the truth, what is not the truth. For the temptation will precisely strikes there, when a man believes in Me and my Love, to lead you away from Me.

It will lay rules upon you and misinterpretations on My Word in the Bible. Without Me you will not recognize it as such. Without me you can not come to actual love, without Me you're not in that true freedom, until those perfectly surrender completely to me. And know that that seductive force, which is the original straying of the love from Lucifer and is still resisting the truth. For he is bound in the matter, but has a certain power, in which his misconceptions are reflected as a seductive power That in a certain extent control the people residing on Earth. In this context, man has precisely his own free choice, with the goal, to reconize in a perfect freedom, that I Am the true life.

And once someone has this full understanding, he will come to a complete surrender and come to me and thereby to complete freedom of his true being in a perfec love and be the Love as the image of me.

All people on Earth can come tot that surrenderand come to me. But everyone needs Me to resist the recistance and the temptation. The choice is up to the man to accept my help or not because that is the core of the digression of Lucifer, that he was being turned away from me, to life itself without me, what eternaly is not possible.
